

Nov 10. 26. 10

SNS 217 Is Exempt From US EPA Registration Under The Federal Insecticide, Fungicide and Rodenticide Act (FIFRA)

Safe Around Children And Pets When Used As Directed

Active Ingredient, Rosemary Oil 2.0% Other Ingredients, 98% Water, Polyglyceryl Oleate, Lauric Acid

Directions For Use

Shake well, adjust spray nozzle setting. Spray directly onto insects and infested areas until thoroughly covered. Spray as needed when insects are seen, most effective when used on a 7-14 day schedule. Spray to run off. Complete coverage of all plant tissue is necessary for control. Because it is made from natural ingredients you should shake the bottle before using and once in a while during use. Thoroughly wash all food areas and food materials contacted, with soap and water. Do not spray near heat or open flame.

All Natural Ready To Use

Spider Mite Control

Kills and Repels Spider Mites and their Eggs

32 FL OZ (946.24 mL)

rev2.1

Caution, Keep Out Of Reach Of Children

First Aid

Not intended for human consumption. As with any insecticide, avoid contact with eyes and skin. If in eyes, flush eyes with water for a minimum of 15-20 minutes. If on skin, wash skin with soap and water. If irritation persists contact a physician. Have the product container or label with you when calling a poison control center or doctor, or going in for treatment. Poison control center hotline 1-800-222-1222 if over exposure occurs.

Storage and Disposal

Store in a cool, dry area away from heat or open flame.

Do not reuse container.

Dispose in trash or offer for recycling if available.
