

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION: Causes moderate eye and skin irritation from spray or touching or rubbing eyes with contaminated fingers or gloves. Do not get in your eyes, on skin or on clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.
 Contact FAA for air travel restrictions.

FIRST AID
 Have label with you when obtaining treatment advice. **IF ON SKIN OR CLOTHING** - Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center, doctor, or 1-800-858-7378 or 1-800-222-1222, immediately for treatment advice. **IF IN EYES** - Hold eye open and rinse slowly and gently with cool water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center, doctor, or 1-800-858-7378 or 1-800-222-1222, immediately for treatment advice.

PHYSICAL OR CHEMICAL HAZARDS
 Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130F may cause bursting.

ENVIRONMENTAL HAZARDS
 Do not apply directly to water. Do not contaminate water by disposing of unused materials.

DIRECTIONS FOR USE
 It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: This product may only be used to deter dogs that are attacking or appear likely to attack humans. This product may not be effective in all situations or prevent all injuries. Do not spray this product on objects or humans. Intentionally provoke them. Keep safely closed except when practicing with, or using the product. Do not eat, or allow to be eaten, any food or feed that may have become contaminated with this product. The effectiveness of this product against trained attack dogs has not been established.

APPLICATION DIRECTIONS: When a dog threatens, flip thumb under flip top. Place finger on actuator button. Point nozzle, depress actuator button, and spray directly towards dog's eyes, nose, and mouth for a burst of spray, having a maximum range of 15 feet. After dog has been sprayed, back away slowly to limit personal exposure to spray. This product provides about 14, one-second, bursts of spray.

STORAGE AND DISPOSAL
 Do not contaminate water, food, or feed by storage or disposal.
Pesticide Storage: Store only in original container, in a dry place inaccessible to children and pets. Do not store in places where the temperature is above 120F or below 32F. Do not store in hot car.
Pesticide Disposal and Container Handling: Do not Puncture or Incinerate! If empty: Press valve to release all pressure. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.
