

**Directions**

Mix 1 teaspoon of concentrate per gallon of water. May use up to 2 teaspoonfuls per gallon on harvested product if necessary.

Spray mixture liberally on infected plants including fruits, vegetables, flowers and all foliage. Coverage is essential for control. Safe to use daily, indoors or outdoors.

MAC'S Miracle Mildew Wash is suitable for most plants for treatment of powdery mildew. Always test a small area before large scale application.

This product has not been registered by the US EPA. MAC represents that this product qualifies for exemption under the Federal Insecticide Fungicide and Rodenticide Act (FIFRA)

*Miracle Mildew Wash*

8 oz (226.80 grams)
