Estimula el reverdecimiento a PRINCIPIOS DE LA PRIMAVERA

PHOSPHORUS-FREE WINTERIZER WEED & FEED
ABONOS GARANTIZADOS DURANTE 3 MESES

HELPs DEVELOP A DEEP AND DENSE ROOT SYSTEM

NET WT: 14 lb (6,35 kg)
COVERS UP TO: 5,000 sq ft (464,5 m²)

PHOSPHOROUS-FREE WINTERIZER WEED & FEED
ABONOS CON ACONDICIONADOR INVERNAL SIN FOSFORO
**PHOSPHORUS-FREE WINTERIZER WEED & FEED**

**INSTRUCTIONS**

It is unlawful to apply this product on the exterior of buildings, on sidewalks, driveways, streets, or wharves or for any other purpose on public property without the written consent of the owner or person in charge. It is unlawful to apply this product on land, including lawns and turf, that is not owned by the person applying the product, unless consent has been given by the owner of the land or the person in charge of the land.

**PRECAUTIONS AND RESTRICTIONS**

- **For use on Kentucky bluegrass, fescue, perennial ryegrass, common bermudagrass, bahiagrass, St. Augustinegrass:** Use at the rate of 2.6 pounds of product per 385 square feet. The brown winterizer applies as a spreadable granular product.

**HOW TO APPLY**

- **Spreaders and Calibration:**
  - For a spreader mold, the manufacturer’s directions may require adjustment to deliver the recommended rate.
  - Always apply with a metered drop spreader to distribute the granules evenly. Never apply by hand.

**HOW MUCH TO APPLY**

- **Apply when broadleaf weeds are actively growing in early fall.**
  - **Apply when temperatures are consistently above 32°F.**
  - **Avoid applying when temperatures are consistently above 90°F.**
  - **Apply when rain is expected that day or in the near future.**

**USE PRECAUTIONS**
