PRECAUTIONARY STATEMENTS - HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION - To Humans: Avoid contact with eyes, Wash thoroughly with soap and water after handling and before eating, drinking, or chewing gum or using tobacco.

FIRST AID - IF IN EYES: Hold eye open and rinse slowly and gently with water to 15-20 minutes, Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

DIRECTIONS FOR USE: Remove all washable items such as clothing from item being fumigated such as a suitcase. Place these washable items in trash bags to prevent any bugs from escaping until they are washed and dried. By washing and drying the washable in hot water and hot air-cycle on the drier, all bed bugs will be eliminated. Make sure remaining items that are to be fumigated are loosely packed with plenty of air space around them. Place the loosely packaged items such as luggage, electronics inside a the bag. Open the fumigant pouch and leave the contents inside the pouch. Place the pouch and its contents into the trash bag, so the inner contents DO NOT TOUCH any surfaces (only the outer pouch). Can be used to treat electronics, appliances, artwork, plush toys, clocks, wall hangings, phones, printers, books, lamps and other items. Twist up the bag tightly then fold the twisted end over and secure with twist ties. Seal all treatments for at least 48 hours.

STORAGE AND DISPOSAL: Store in a cool, dry area and avoid direct sun and excess heat. Allow product to air out for 48 hours after opening. Place in trash after 48 hours.
