Trees & Shrubs

Ornamental Plants

Flowers

DIRECTIONS FOR USE

SHAKE WELL BEFORE EACH USE. *To Spray:* Turn nozzle to "ON" position. Spray 6-8 inches from surface until thoroughly wet. *For Best Results:* Spray directly on dry plant material. Allow 24 hours to dry. **Repellex® Original Deer & Rabbit** repels pests immediately. Effects typically last 10-12 weeks. If damage persists, reapply treatment after 7 days and then every 2-3 months as needed. *For Use as a Perimeter Barrier:* Spray around property lines, fences, and garden beds. *To Protect Deciduous Trees/Shrubs During Winter:* Apply to bare branches in Fall, after first frost, and to new buds in Spring. **NOTE:** Product is naturally adhesive and dark in color. Not intended for use on food crops. Use with caution on light-colored surfaces. Test a small area and observe for color change. If undesirable results occur, treat with **Repellex® Fruit & Vegetable** spray instead. Contents of container cover approximately 500 sq/ft.

PRECAUTIONARY STATEMENTS:

KEEP OUT OF REACH OF CHILDREN

CAUTION: May cause moderate eye irritation. If contact with eyes occurs, immediately flush with water. Seek medical attention if symptoms persist. Not for Aquatic Use.

STORAGE AND DISPOSAL:

Protect from heat and freezing. Store in original container. Refill only with this product. Rinse and offer empty container for recycling. If recycling is not available, discard container in trash.

EPA STATUS: This product has not been registered by the US EPA. Repellex® represents that this product qualifies for exemption from registration under the FIFRA, Section 25(b).

LIMITATIONS OF LIABILITY: Buyer assumes all responsibility for safety and use not in full accordance with the directions.
