

NATURAL MINT  
**Mouse Repellent**

PIC® Natural Mouse Repellent uses a natural formula with a fresh mint fragrance that is proven to repel mice. PIC® Natural Mouse Repellent is effective for up to 30 days. Works best when temperatures range from 59°F (15°C) to 95°F (35°C).

**Directions for Use:**

Clean areas known to have mouse problems before placing the product.

1. **PEEL** foil from the packet to expose the repellent.

2. **PLACE:** open side up on flat a flat surface. Do not place on painted, finished or plastic surfaces.

3. **USE** one packet in each enclosed space accessible to mice including drawers, cabinets, closets, pantries, under sinks, attics, points of entry... even vehicles.

4. **REPLACE** the packet every 30 days.

**First Aid:** Oils may cause eye irritation. If contact is made with eyes, flush with water for 15 minutes. If irritation persists, contact a physician.

**STORAGE AND DISPOSAL**

Store in original container in a dry place inaccessible to children and pets. Do no reuse containers. Discard in trash. Cardboard box may be recycled.

This product has not been registered by the United States Environmental Protection Agency. PIC® Corporation represents that the product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.
