Harmful if inhaled or absorbed through skin. Causes moderate eye
irritation. Avoid breathing vapors and contact with eyes, skin or clothing.

First Aid:
In case of contact with eyes, rinse immediately with plenty of water for 15-20 minutes. Remove contact lenses, if
so desired, after first rinse. Continue rinsing for at least an additional 15 minutes, then call a poison control
center or doctor for treatment advice. Have the product
label or container with you.

FIRST AID
IF EXPOSED OR INGESTED
DO NOT INDUCE VOMITING
