

ECO DEFENSE RODENT GONE

Repels Mice and Rodents from your property without the use of harmful chemicals and traps. Rodent Gone uses our custom blend of essential oils which help to naturally deter rodents from your home and property. Let Eco Defense be your first line of defense against rodents.

DIRECTIONS:

SHAKE WELL. Spray generously where rodent droppings are found, known entry points, and possible nesting areas. Spray as often as needed. Generally once per day or every other day is sufficient until evidence of rodents is no longer found.

CAUTION:

Keep Out Of Reach of Children. Before spraying on certain painted areas or fabrics **ALWAYS** test an inconspicuous area. Avoid contact with eyes and skin. If product gets in eyes, flush with water. If on skin, wash with soap and water. If irritation persists, contact a physician.

LIMITATION OF LIABILITY:

To the extent consistent with applicable law, Eco Defense makes no warranties of merchantability or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label, directions, and precautionary statements.

This product has not been registered by the United States Environmental Protection Agency. Eco Defense represents that this product qualifies for exemption from registration under FIFRA
