- **No stink formula that is long lasting and rain resistant**
- **For indoor and outdoor use**
- **Sprays at any angle**

What it Does: Repels rodents and prevents entry, nesting, and foraging. Essential oils deliver a smell and taste that rats and mice naturally hate.

DIRECTIONS FOR USE

Shake container well before using.

How to apply: Spray potential entry points around your home which could include around doors & windows, pipes, cracks & crevices, and vents. Spray in areas you want to prevent rodent activity.

Repeat application every 30 days. More frequent application may be required after periods of heavy rainfall and if more rodent activity is noticed.

Use Precaution

This product can be applied as long as spray head and liquid are not frozen. If product freezes, return to room temperature and use according to directions.

Do not spray electrical wires and sockets directly. Not for use on car engine. Before use, test a small area of sensitive surfaces for staining before making a wide scale application. Wipe away any excess product on surfaces.

CAUTION: Always use good safety practices when using this product, such as avoiding contact with eyes and skin and keeping out of reach of children and pets. If eye or skin contact occurs, flush thoroughly with water. For medical information call 1-877-332-0755. Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120F.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area away from open flame.
DISPOSAL: When container is empty, place in trash or offer for recycling if available. Never place unused product down any indoor or outdoor drain. Do not puncture or incinerate.

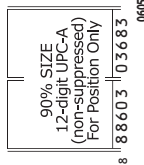

Tomcat Brands Guarantee: If for any reason you, the consumer, are not satisfied with this product, mail us your original proof of purchase to obtain a full refund of your purchase price.
