NATURE'S MIRACLE®
Just for Cats 

**SCRATCHING
DETERRENT
SPRAY**

From the maker of NATURE'S MIRACLE® products, the pet stain & odor removing brand you trust... because it works!

Scratching is an instinctual cat behavior. Cats' paws have glands that leave a scent behind when they scratch, making this a way cats mark their territory. Nature's Miracle® Just For Cats Scratching Deterrent Spray counters this scent and discourages repeat destructive scratching behavior. Safe to use around pets and home, when used as directed.

DIRECTIONS

1) Shake well before using. 2) Apply Nature's Miracle Just For Cats Scratching Deterrent Spray to area or object where cat frequently scratches. Do not apply directly on pet. 3) Repeat as needed.

NOTE: Although this is a water-based product, it is recommended that you test a small area for staining acceptability on furniture and fabrics.

Tips: Keep cat's nails trimmed and provide a scratching post as an alternative scratching location.

FIRST AID • **If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice. • **If on Skin:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. • Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. You may also call 1-800-645-5154 for emergency medical treatment information.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Causes moderate eye irritation. Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **Product Storage:** Store at room temperature in a cool, dry area away from heat or open flame. Prevent from freezing. If product freezes, thaw and shake well before use. **Product Disposal and Container Handling:** Nonrefillable container. Do not reuse or refill this container. Keep container closed when not in use. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
