

Pest Soldier

DIRECTIONS

- Shake well before use. Spray areas where pests are found and may live and hide.
- Spray under sinks, in cabinets, and around appliances.
- Repeat as necessary.

#1 HOME PEST SPRAY

CAUTIONS

Keep out of reach of children.
After use wash hands with soap and water.

Pest Soldier Spray is a Minimum-Risk Pest Control product and qualifies for exemption from EPA registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).
