# Mildew Cure

<sup>®</sup>

Mildew Cure<sup>®</sup> is an organic, botanical based fungicide for the control of powdery mildew on a variety of plants. Mildew Cure<sup>®</sup> is made from all natural, food grade materials so it is ideal to use on vegetables and other plants.

**DIRECTIONS FOR USE: SHAKE WELL BEFORE USE.**  
**This product may separate into layers after prolonged storage. This is normal.**

Mix 1.5 oz (3 tablespoons) of Mildew Cure<sup>®</sup> per one gallon of spray water. Apply enough to cover the entire surface of infected plant. Repeat application at 7-10 day intervals or as needed. Coverage is essential to establish control. The use of SaferGro Natural Wet<sup>®</sup> may increase efficacy of Mildew Cure<sup>®</sup> treatment.  
 Do not apply to seedlings or very young plants. Do not apply at less than 7 day intervals. Mildew Cure<sup>®</sup> is suitable for most plants. Always test a small area before large scale application.

**STORAGE AND DISPOSAL:** Store in a cool, dry place. Dispose of properly.

**PRECAUTIONARY STATEMENTS**  
 Avoid contact with skin, eyes or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.  
**Personal Protective Work Clothing:** Applicators and other handlers of this product must wear: Long sleeved shirt and pants, shoes and socks, protective eyewear and gloves.

This product is exempt from registration with the Federal EPA under section 25 (b) of FIFRA. Mildew Cure<sup>®</sup> has not been registered with the Environmental Protection Agency. Safergro represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.
