Flea & Tick Topical FOR DOGS FOR USE ONLY ON DOGS 23-44 LBS.

Kills fleas, flea eggs, flea larvae, ticks & chewing lice
Fast-acting, long-lasting, & waterproof

ACTIVE INGREDIENTS:
- Fipronil 9.80%

OTHER INGREDIENTS:

- Fast-acting, long-lasting, & waterproof
- Kills fleas, flea eggs, flea larvae, ticks & chewing lice

DO NOT USE ON CATS. Keep cats away from treated dogs for 24 hours. If applied to a cat or ingested by a cat, contact your veterinarian.

HOW TO OPEN:
Remove product tubes from the package. Separate one tube from the others. Hold the tube with notched end pointing up and away from the face and body. Use scissors to cut off the narrow end at the notches along the line. Invert tube over dog and use open end to part dog’s hair. Squeeze tube firmly to apply all of the solution to the dog’s skin, as directed below. Do not apply more often than once every 4 weeks.

RESTRICTIONS:
- Do not apply more than one tube per treatment for one contents of tube on each dog. Weigh your dog to be sure you are applying the right dose formulated for the weight of your dog. Separate the treated dog from all other dogs and cats for 24 hours after treatment has been applied.
- Do not apply to dogs weighing less than 23 lbs.
- Apply one tube (1.34 mL)(0.045 fl oz) as a spot to the dog’s back between the shoulder blades. Use this product monthly for complete control of flea, tick, and chewing lice infestations. Studies show that this product kills adult fleas for up to three months. Apply monthly if your dog is at high risk for flea reinfestation or in a highly infested environment. Apply monthly to control ticks and chewing lice. This product remains effective even after bathing, water immersion, or exposure to sunlight. Allow treated area to dry for 24 hours. Do not reapply for 30 days.

SIDE EFFECTS:
- Monitor your dog after application. Some dogs may experience temporary startle effects when any product is applied. Dogs may experience some temporary irritation at the site of product application such as redness, scratching or other signs of discomfort. If signs of sensitivity occur, bathe your dog with a mild soap and rinse with large amounts of water. If any side effects occur or your dog has unusual reaction to the application, consult your veterinarian or call 1-877-416-7330. Consult your veterinarian before repeating application.

CONTAIN 3 TUBES

KEEP OUT OF REACH OF CHILDREN
