Precautionary Statement

HazardS to Humans and Domestic Animals

CAUTION: Harmful if ingested or inhaled. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating. Remove contaminated clothing and equipment immediately. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.

Personal Protective Equipment (PPE)

Gloves: Chemical- or oil-resistant gloves are recommended when handling BUSAN 1292. See specific labels for requirements. Eye Protection: Safety glasses or goggles are recommended when spraying BUSAN 1292. Face Protection: A respirator with P100 or P95 particulate filter, N95 cartridge, or high-efficiency particulate air (HEPA) filter is recommended when spraying BUSAN 1292. Dust: Use a respirator such as a surgical mask (N95). A protective barrier suit should always be worn when spraying in areas where application is required. Socks and Shoes: Synthetic rubber or neoprene boots are recommended when handling BUSAN 1292. A 6" rubber boot that is Types I or II is adequate for application. Coveralls and rubber gloves should be worn when handling BUSAN 1292. Respiratory Protection: A respirator with P100 or P95 particulate filter, N95 cartridge, or high-efficiency particulate air (HEPA) filter is recommended when spraying BUSAN 1292. PPE is recommended when spraying BUSAN 1292 in an enclosed area.

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in the original container in a cool, dry place.

Disposal: Do not contaminate water, food, or feed by storage or disposal.才

NOTICE OF WARRANTY

Buckman Laboratories, Inc., warrants that this product conforms to the chemical description on the label thereof and is free from defects in material and workmanship for a period of one year from the date of manufacture to the user, when applied in accordance with the directions thereunder and under normal use conditions. If it is impossible to eliminate all risks inherently associated with the use of this product, inefficacy or other losses may result due to factors beyond the control of Buckman Laboratories, Inc. To the extent permitted by law, Buckman Laboratories, Inc. disclaims any liability for consequential, special or indirect damages resulting from the use, handling, application, storage or disposal of the product or for damages in the nature of penalties, and the buyer and end user expressly waives any right the buyer and end user may have to recover such consequential, special or indirect damages resulting from the use, handling, application, storage or disposal of the product or for damages in the nature of penalties. Any product which the buyer and end user shall have purchased under any contract for the purchase of this product in the amount of which the buyer and end user shall have paid to Buckman Laboratories, Inc. and Buckman Laboratories, Inc., shall be deemed to be free and clear of any representation or implied warranty of or as to any other promise or any other express or implied warranty.

For 5 gallons in size – Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container 1/4 full with water and recirculate. Shake for several minutes. Do not use according to label instructions or any other use.
