RE: Voluntary Cancellation of EPA SLN Reg. No. WA-090015

The Washington State Department of Agriculture has cancelled Washington Special Local Need (SLN) registration number **WA-090015** for use of Drexel Simazine 4L (simazine, EPA Reg. No. 19713-60). This SLN allowed use on alfalfa grown for seed only.

Attached is a request from Drexel Chemical Company for the voluntary cancellation of WA-090015. **WA-260005 was issued to Drexel Chemical Company for use of Drexel Simazine 4L (EPA Reg. No. 19713-60) as a direct replacement for WA-090015.**

Drexel has requested to waive the 180-day public comment period for WA-090015.

If you have any questions, please contact me at (360) 902-2031 or erinbeth.goldman@agr.wa.gov.
