STOP READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.

SHAKE WELL BEFORE USING. Do not use on surfaces that can be harmed or stained by water. Hold container upright, and aim spray away from face and body.

INDOORS

AS A SPACE SPRAY: To kill houseflies, mosquitoes, cluster flies, gnats, fruit flies and flying moths: Close all doors and windows. Point nozzle upward. Direct spray mist to all parts of room, especially windows and other light sources which attract insects. Fill room with mist, then leave treated area immediately. Keep room closed for at least 15 minutes. Ventilate room when treatment is completed. Repeat as necessary.

AS A SURFACE SPRAY: To kill wasps, hornets, yellow jackets and bees: Use in late evening or early morning

when insects are at rest. Spray liberally into hiding and breeding places, especially under attic rafters, contacting as many insects as possible. Repeat as necessary.

OUTDOORS

For houseflies, mosquitoes, cluster flies, gnats and flying moths: For use only as an aid in reducing the annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the building. Also treat surfaces around light fixtures on porches, in garages, and other places where insects congregate. Repeat as necessary.

To kill bees, hornets, wasps and yellow jackets: Use in late evening or early morning when insects are at rest. Aim spray at nest openings in ground, bushes and in cracks and crevices which may harbor nests. Saturate nest openings and contact as many insects as possible. Repeat as necessary.

STORAGE AND DISPOSAL

Storage: Do not freeze. Store in a cool, dry area, inaccessible to children and away from heat or open flame. **Disposal:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Avoid contamination of feed or foodstuffs. Remove pets, birds, and cover fish aquaria before spraying.

First Aid • If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. **If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice. **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

Environmental Hazards • This product is extremely toxic to fish. Do not apply directly to water.

Physical or Chemical Hazards • Contents under pressure. Do not store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not apply this product in conduits, motor housings, junctions and switch boxes, or other electrical equipment because of possible shock hazard.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
