EPA Reg No. 538-60 (5M)

# 4 STEP PROGRAM

## Plan your feeding schedule. Choose the right product for your lawn. Now it's Easy for You to Have a Better Lawn.

### Start anytime

You can begin the Annual fertilizer Program anytime of the year. Just check the month and select the appropriate STEP® product listed. We recommend you apply the remaining products at two-month intervals. If weeds are not a problem, substitute STEP® 4.

### Simple and easy

No more guesswork. You simply apply the right product – one at a time.

### Guaranteed results

Each STEP® product is designed to the specific season to help give you a greener lawn.

### SPREADING TIPS

Covers 5,000 sq. ft. Apply header strips. Then apply product in longest direction of lawn. For best results, use a Scotts® spreader. Shut off spreader or stop each time you reach a header strip. This package applies 4.4 lbs of product per 1,000 sq ft.

#### Scotts Broadcast / Rotary Spreaders

Scotts Basic®, Standard™, Deluxe™ EdgeGuard®, Lawn Pro® or SpeedyGreen®  
Each pass should be within 5 feet of each other to ensure an overlap.

Settings: **4**

#### Scotts Drop Spreaders

Scotts AccuGreen®  
Make sure spreader wheel completely overlaps previous wheel marks.

Settings: **6**

#### Scotts EasyGreen®

Make each pass about 30 inches from previous pass to overlap spread width.

Settings: **26 1/2**

For additional spreader settings, please call 1-800-543-TURF (8873)

## DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Make only one application per year

### APPLICATION

DO NOT use on lawns of bentgrass, bermudagrass, zoysiagrass, centipedegrass, St. Augustinegrass, bahiagrass, or on dichondra and similar groundcovers.

DO NOT rake or aerify after application so as not to disturb the chemical barrier in the soil surface.

DO NOT use this product to control weeds that are already growing or to prevent or control non-grassy weeds like dandelions.

DO NOT apply this product in a way that will contact any person, or pet either directly or through drift. Keep people and pets out of the area during application.

DO NOT enter or allow people or pets to enter the treated areas (except those involved in the watering) until the watering-in is complete and the surface is dry.

### Spring Seeding

Apply this product after seeding and water with a gentle spray. When seeding into an existing thin lawn, the best time to apply this product is between the first and fourth mowings.

### Summer Seeding

When establishing a new lawn in summer months apply this product after seeding to protect against invasions of crabgrass, barnyardgrass and foxtail. Water with a gentle spray after application. Successful summer seeding depends on keeping the soil moist until the lawn becomes established.

Avoid application to adjacent flower beds when using a rotary spreader.

## KEEP OUT OF REACH OF CHILDREN

## CAUTION

### PRECAUTIONARY STATEMENTS

**Hazards to Humans and Domestic Animals:** Causes moderate eye irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid inhalation. Do not contaminate feed or foodstuffs or water used for irrigation or domestic purposes.

### FIRST AID

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

**Call a poison control center or doctor for treatment advice.** Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**Environmental Hazards:** This product is toxic to fish. Do not apply to low runoff or likely to occur. Do not contaminate lawn strips or drains. Apply this product only as specified on the label. To protect the environment, do not allow runoff to enter or drain off into streams, ditches, or water bodies, or surface waters. Applying this product in catch basins where runoff is not permitted for more than 24 hours will help to reduce the amount of runoff that enters streams or surface water bodies. Do not apply to low runoff or likely to occur. Do not apply to low runoff or likely to occur. Do not apply to low runoff or likely to occur. Do not apply to low runoff or likely to occur.

### STORAGE AND DISPOSAL

**PESTICIDE STORAGE:** Store in a cool, dry place. Retail container may be tilted top down and reused.

**PESTICIDE CONTAINER DISPOSAL:** Recycle like containers. Do not reuse or refill this container. If empty: Place in trash or other recycling if available.

**If Partly Filled:** Call your local solid waste authority for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTICE:** To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**Environmental Hazards:** This product is toxic to fish. Do not apply where runoff is likely to occur. Do not contaminate lakes, streams, or ponds. Apply this product only as specified on the label. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a highway, sidewalk, or street, back onto the treated area of the lawn will help to prevent run off to water bodies or drainage systems.

**STORAGE AND DISPOSAL**

**PESTICIDE STORAGE:** Store in a cool, dry place. Reseal opened bag by folding top down and securing.

**PESTICIDE CONTAINER DISPOSAL:** Non-refillable container. Do not reuse or refill this container. **If Empty:** Place in trash or other for recycling if available.

**If Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTICE:** To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not in accordance with directions.
