**HAZARDS TO HUMAN
AND DOMESTIC
ANIMALS**
DANGER. Corrosive. Causes
irreversible eye damage and
skin burns. Harmful if absorbed
through skin or swallowed. Do
not get in eyes, on skin or on
clothing. Wear protective eye
wear (goggles, face shield or
safety glasses), protective
clothing and rubber gloves.
Wash thoroughly with soap and
water after handling. Remove
contaminates clothing and wash
clothing before reuse.

**ENVIRONMENTAL
HAZARDS**
This product is toxic to fish and
other aquatic organisms.

**PHYSICAL/CHEMICAL
HAZARDS**
Keep away from combustible,
organic or other readily
oxidizable materials.

MICROPUR MP1
EACH TABLET TREATS
ONE LITER OF WATER

MICROPUR® MP1

EMERGENCY DRINKING WATER TABLETS

MICROPUR MP1 water purifier tablets are for emergency
disinfection of drinking water. When used as directed, the
tablets make contaminated water suitable for drinking.
MICROPUR MP1 water purifier tablets are for use by
campers, hikers, militaries, emergency organizations and
anyone needing to drink water of questionable
microbiological quality. Effective against viruses, bacteria
and cysts - such as Giardia and Cryptosporidium.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner
inconsistent with its labeling.

FOR CONTROL OF BACTERIA,
VIRUSES AND CYSTS

Use MICROPUR MP1 Water Purifier Tablets
to kill bacteria, viruses and cysts
(Cryptosporidium parvum and Giardia muris)
in contaminated water.

TO USE

Remove the tablet from its foil package with knife or scissors and
quickly insert into 1 quart (1 liter) of contaminated water. **Allow to
react for 4 hours** in an opaque container or in the dark to generate a
use solution of 4 ppm chlorine dioxide. The treated water is now ready
for drinking.

STORAGE AND DISPOSAL

Store in a cool, dry area away from sunlight and heat and in an area
inaccessible to children. Non-refillable. Do not reuse or refill this
container. Wrap empty container and put in trash or offer for recycling
if available.

FIRST AID

IF IN EYES Hold eye open and rinse slow and gently with water for
15-20 minutes. Remove contact lenses, if present, after the first 5
minutes, then continue rinsing the eye. Call a poison control center or
doctor for treatment advice.
IF SWALLOWED Call a poison control center or doctor immediately
for treatment advice. Have a person sip a glass of water if able to
swallow. Do not induce vomiting unless told to do so by a poison
control center or doctor. Do not give anything by mouth to an
unconscious person.
IF ON SKIN OR CLOTHING Take off contaminated clothing. Rinse
skin immediately with plenty of water for 15-20 minutes. Call a poison
control center or doctor for treatment advice.
**Have the product container or label with you
when calling a poison control center or doctor, or
when going to treatment.**
NOTE TO PHYSICIAN Probable mucosal damage may contraindicate
the use of gastric lavage.

PRECAUTIONARY STATEMENT
Hazards to Humans and Domestic Animals
DANGER Corrosive. Causes irreversible eye damage and skin burns.
Harmful if absorbed through skin or swallowed. Do not get into eyes,
on skin or on clothing. Wear protective eyewear (goggles, face shield
or safety glasses), protective clothing and rubber gloves. Wash
thoroughly with soap and water after handling. Remove contaminated
clothing and wash before reuse.
