DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Read and follow all applicable directions and precautions on this label before using.

PESTS

This product is effective in controlling mold*, mildew*, mosses, algae, lichens, and liverworts.

*not including species considered public health pests

WHERE TO USE

This product may be used on lawns, ornamental gardens, around and on homes, other buildings, and home greenhouses; roofs; cedar shakes and composition shingles; cedar siding; stucco; cedar, redwood and CCA-treated wood decks and fences; brick, stone and concrete walkways, sidewalks and driveways; growing containers; other structural surfaces; hardened bark of trees; bark mulch; pavement; gravel; patios; asphalt; automobile exteriors; and the exteriors of motor homes and boats.

APPLICATION DIRECTIONS

Automobiles, Motor Homes and Boats: Use on the outside surfaces only. Spray thoroughly with soap solution using hose-end sprayer. Scrub surfaces thoroughly and rinse with water.

Playgrounds, Domestic Lawns and Ornamental Gardens: Thoroughly soak mold*, mildew*, mosses, algae, lichens, and liveworts with solution, this 32 fl. oz. bottle will cover 500 sq. ft. Test spray a small area prior to using. Do not heavily irrigate for at least 6 hours. Reapply every two weeks as molds, mildews, mosses, algae, lichens or liverworts reappear. If it rains within one day of treatment, an additional application may be required. Moss will turn brown after a few days. Areas can be re-sown 5 days after treatment.

Other Sites: Thoroughly soak mold*, mildew*, mosses, algae lichens, and liverworts with solution, this 32 fl. oz. bottle will cover 500 sq. ft. Repeat treatment annually, or when new mold, mildew, moss, algae, lichens or liverworts are visible.

*not including species considered public health pests

WHEN TO USE

This product can be used at any time during the year. Best results are obtained with actively growing moss in the spring or fall. Do not use on lawns when temperature exceeds 85°F. During warmer weather apply late in the day. Application during cold weather may delay appearance of moss, mold, and mildew damage.

METHODS OF APPLICATION

Apply with hose-end sprayer. Keep sprayer moving to get an even application.

HOSE-END SPRAYER DIRECTIONS

Follow the directions for using the Hose-End sprayer. This 32 oz bottle will cover up to 500 sq. ft.

How to use hose-end sprayer:

1. Connect spray nozzle to garden hose.
2. Turn on the water from the faucet.
3. When you are ready to spray, turn the knob so that it points to the ON position.
4. The spray deflector on the front of the hose-end applicator can be rotated to give a stream or fan spray.
5. When treating lawns, wait 15 to 30 minutes after spraying, and then lightly rinse treated area with water. This will reduce the likelihood of grass damage. Roofs and walls do not require rinsing.

To stop spraying:

1. When you are finished spraying or if you have to stop spraying at any time, turn the knob back to the OFF position.
2. Turn off the water from the faucet.
3. Unscrew spray nozzle from hose.

STORAGE AND DISPOSAL

STORAGE: Store this product in its original container and keep in a secure storage area out of reach of children and domestic animals. Store unused material, tightly closed, in original container only, away from open flame. Do not store at temperatures below 32°F.

CONTAINER DISPOSAL:

If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

	FIRST AID
IF IN EYES	• Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. • Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING	• Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact SafetyCall® International for emergency medical treatment at 1-833-972-1101.	

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes substantial but temporary eye injury. Causes skin irritation. Do not get in eyes, on skin or on clothing. Wear protective eyewear (goggles, face shield or safety glasses). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

This product may be hazardous to aquatic invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather or when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

WARRANTY

To the extent consistent with applicable law, Seller warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label only when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to Seller. Buyer assumes all risk of any such use. Seller makes no other warranties, either expressed or implied.
