

- Aider à entraîner votre chat à ne pas griffer aux meubles, aux tapis, et aux rideaux.
- Éviter le dégriffement.

C'est un réflexe naturel pour les chats et les chatons d'affiler ses griffes. Malheureusement, il peut arriver que votre chat choisisse un endroit défendu pour affiler ses griffes. Lorsque utiliser tel qu'indiqué, NO SCRATCH aide à protéger vos meubles, tapis et rideaux en les rendant déplaisants à votre chat.

**Mode d'emploi :** Vaporiser sur les surfaces que vous désirez protéger, pendant 3 ou 4 jours consécutifs et par la suite, selon le besoin. Pour les portes, les fenêtres et les surfaces verticales, appliquer un tissu à l'aide d'un ruban gommé, puis vaporiser au tissu.

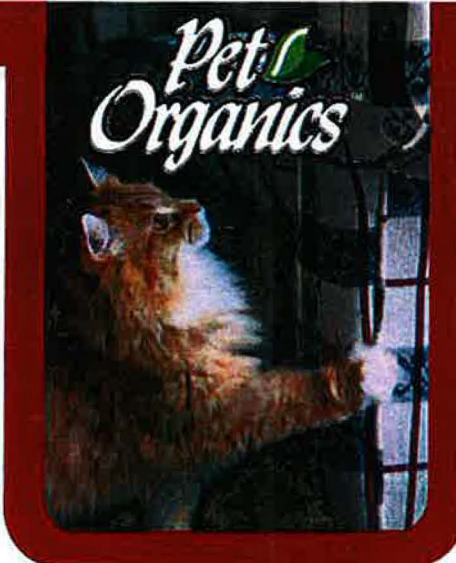

**Prudence :** Utiliser tel qu'indiqué. Garder hors de la portée des enfants. En cas de l'ingérer, faire boire beaucoup d'eau, provoquer le vomissement et consulter un médecin.

**Ingédients actifs :** Sulfate sodique de lauryle (0,6 %), essence d'ail (0,4 %), essence de girofle (0,4 %).

**Ingédients inactifs :** Eau purifiée, huile végétale hydrogénée (98,6 %).

# No Scratch™

**For Cats  
Saves De-Clawing**

**Anti-Griffer Pour Chats**

Net Contents 16 Fluid Oz. (473 ml)

- **Helps Train Your Cat Not to Scratch Furniture, Carpets and Drapes**
- **Saves De-Clawing**

Clawing and scratching are natural instincts for any cat or kitten. Unfortunately, your pet may be choosing what and where he wants to scratch and claw. NO-SCRATCH, when used as directed, can help protect your furniture, drapes and carpets from a cat's innate desire to claw and scratch.

NO SCRATCH Spray contains herbal essential oils that when sprayed on fabric surfaces discourages cats from scratching the treated surface. With NO SCRATCH, you can now protect anything that is becoming a favorite clawing surface for your pet!

**Directions:** Spray NO SCRATCH on areas you wish to protect. Apply daily for a few days, then as needed, depending on the severity of your pet's habit. NO SCRATCH is safe and non-staining on almost all materials. However, before using product test on small inconspicuous area of surface. To use on screen doors, windows or non-fabric surfaces, tape or pin a cloth to the screen or vertical surface, then spray.

**Caution:** Use only as directed. Keep out of the reach of children. If ingested drink plenty of water, induce vomiting and consult a physician.

**Active Ingredients:** Garlic Oil (0.4%), Clove Oil (0.4%), Sodium Lauryl Sulfate (0.6%).

**Inert Ingredients:** Purified water, hydrogenated vegetable oil (total inerts 98.6%).

**Storage & Disposal:** Store in a cool, dry place inaccessible to children and pets. Do not reuse empty container. Wrap in newspaper and discard in trash. NO SCRATCH is a training aid, but occasionally a few pets are very persistent and Germon Corp./distributors/dealers are not accountable for damages to furniture or fixtures created by product use or pet, either in part or in full.
