

NO STAY!® spray is a special blend of natural herbs that most pets find displeasing and prefer to avoid. In training your pet to stay off furniture or other designated areas, it is important to remember that you are attempting to alter a habit which may require multiple applications as well as the recommended training tips listed below.

REDIRECTING:

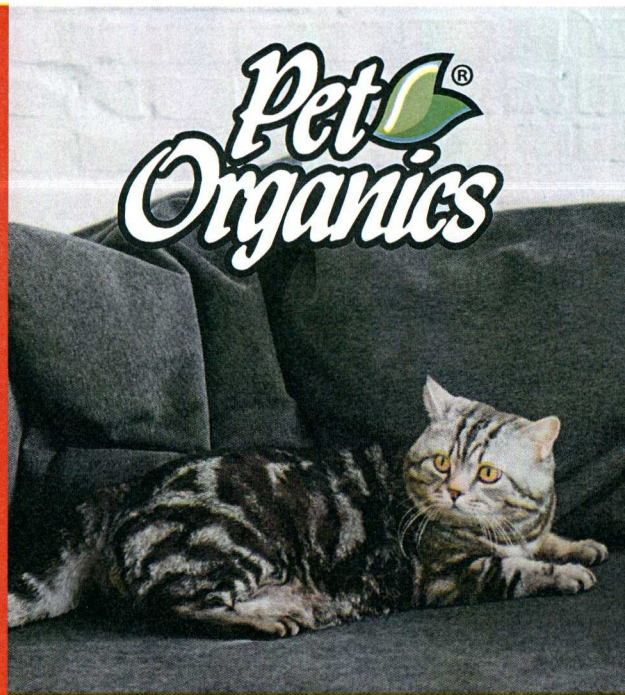

- The scent of NO STAY! and redirecting your pet will help alter the unwanted behavior.
- If your pet attempts to tolerate the herbal scent of NO STAY! and reoccupy the treated area; immediately redirect them to one place you prefer them to lie.
- The preferred place should always be available and always the same location.

LOCATION, LOCATION, LOCATION:

- Remember your pet found security and comfort not only on your favorite furniture but in that particular room.
- Conditions of this room should be considered when choosing a new area for your pet.
- If you choose to keep the pet's bed in the same room be sure to distance it from the furniture that is off limits and away from the scent of NO STAY! spray.

POSITIVE REINFORCEMENT:

- Once your pet begins to occupy the preferred "pet bed" on their own be sure to offer positive reinforcement, from a simple petting to small treats or toys.

NO STAY!®

Active Ingredients:

Sodium Lauryl Sulfate (2.5%),
Clove Oil (0.4%), White Pepper Oil (0.2%),
Citronella Oil (0.2%), Cinnamon Leaf Oil (0.1%),

Total Inactive Ingredients: 96.55%

Furniture Spray
For Cats

Directions:

Shake well before using. Spray on areas you want your pets to stay off of. Apply daily for a few days, then as needed, depending on the severity of your cat's habit. NO STAY! is safe and non-staining on almost all materials. However, before using product it is strongly recommended to test spray a small, inconspicuous area.

Cautions: Do not spray on pets.

Use only as directed. Keep out of the reach of children. Do not take internally. If ingested, drink plenty of water, induce vomiting, and consult a physician.

Storage and Disposal:

Store in a cool, dry place inaccessible to children and pets. Do not reuse empty container. Wrap in newspaper and discard in trash.

NO STAY! is a training aid, but occasionally a few pets are very persistent and Garmon Corp. / distributors / dealers are not accountable for damages to fixtures, furniture, or fabric created by product use or pet, either in part or in full.
