Water Treatment & Bacteriostatic

Golden Solution Combination Humidifier Water Treatment & Bacteriostatic is the ideal product for inhibiting the growth of Algae & Odor Causing Bacteria. The treatment also aids in preventing Lime Scale and Mineral build up in all evaporative, filter type table top and console humidifiers.

DIRECTIONS: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. In a clean humidifier, add no more than two capfuls (16ml) of Combination Water Treatment & Bacteriostatic for every gallon of water the humidifier holds. Fill cap to top. When refilling, add only two capfuls of Water & Bacteriostatic Treatment for every additional gallon of water added. Not for heat vaporizer or atomizing-type vaporizer humidifiers.

IMPORTANT: Inadvertent spillage should be immediately rinsed and dried. Make sure the plastic bottle is tightly closed and totally dried before placing on a counter or storing.

NOTE: For best results, use our Golden Solution Combination Descaler & Cleaner at the beginning of every season. Start off the humidification season with a clean, scale free humidifier.

PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Keep out of reach of children. Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Avoid contamination of food.

STORAGE AND DISPOSAL: Store in original container in areas inaccessible to individuals unfamiliar with its use. Do not reuse container. Wrap and discard in trash.
