ACTIVE INGREDIENT: 10.0%
Picaridin
OTHER INGREDIENTS: 90.0%
TOTAL: 100.0%

4 FL. OZ. (113.4 g)

REPELLENCY – Patented technology that provides strong and dependable repellency against mosquitoes, deer ticks, black flies, gnats, no-see-ums, sand flies and biting midges.

SUITABLE FOR THE ENTIRE FAMILY – Pleasantly scented, light feeling spray. Provides the whole family with an effective broad-spectrum outdoor insect repellent.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label. Hold container 6 to 8 inches from skin and spray with a slow sweeping motion liberally and evenly. Do not spray in enclosed areas. Do not apply under clothing, on cuts, wounds, freshly shaved, excessively sunburned or irritated skin.

TO APPLY TO FACE: Spray palm of hand and rub on, avoiding the eye and lip area. Use sparingly around ears. Use just enough repellent to cover exposed skin. Avoid over application of product. Do not allow children to handle this product. When applying to children, apply to your own hands and then put it on the child. Do not apply directly to children's hands. **FOR CONTINUED PROTECTION** from deer ticks, gnats, no-see-ums, sand flies and biting midges reapply after 7 hours; for mosquitoes reapply after 6 hours; for black flies reapply after 3 hours. Do not exceed 2 applications per day.

STORAGE AND DISPOSAL

STORAGE: Store in cool, dry place away from heat or flame. **DISPOSAL:** Do Not Puncture or Incinerate! If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS: Hazards to Humans. **CAUTION:** Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes and do not spray on face. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum, or using tobacco. Wash treated clothing before wearing again. Discontinue use and consult a doctor if irritation or rash occurs.

FIRST AID

If in eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to by a poison control center or doctor. • Do not give anything to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-FOR-AVON for emergency medical treatment information.

PHYSICAL HAZARDS - FLAMMABLE: Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Keep treated surface away from fire or flame until dry. Intentional misuse by deliberately concentrating and inhaling contents may be harmful or fatal. Will not harm most plastics or synthetic fabrics.

May damage painted or varnished surfaces, including nail polish.
