Total: 100.00%

32 FL. OZ. (946 mL)

Stop Animal Damage!™

This bottle
will cover
approximately
1,000 square feet.

EFFECTIVE AGAINST

DIRECTIONS

Squirrels

Chipmunks

DO NOT APPLY TO PLANTS AS POSSIBLE BURNING MAY OCCUR

This product is a highly effective solution for preventing foraging, nesting and entry damage to buildings, bird feeders and other areas caused by **squirrels and chipmunks** when used according to the following directions. **1:** Shake container well before using. **2:** Apply a fine mist to dens, tunnels, entries and hard plant material (not buds or petals) that need protection, making sure all parts are covered, being careful not to over spray. To prevent foraging of bird seed, treat seed before putting into feeder and/or treat feeder openings, poles, hangers and other parts that squirrels come in contact with. When protecting bulbs, spray the bulb before planting and lightly mist the soil once planting is complete. When using near edible crops, apply a perimeter application. **3:** Allow 20 minutes for the product to dry before watering of any kind. **4:** Repeat application as needed, usually every 30 days.

NOTE: Due to possible allergic reaction to one or more of the ingredients used to make this product, do not apply to plants that are grown for human or animal consumption. When spraying, ensure that the product does not contact food plants. It may, however, be used on dormant fruit and nut trees. This product works by smell and taste.

Storage and Disposal

Store at room temperature. When finished with contents, rinse this container and recycle.

Precautionary Statements

To reduce contact with skin, always wear gloves when handling. In case of eye contact or prolonged exposure to skin, flush thoroughly with water to reduce irritation. If swallowed, drink a glass of water.

Buyers guarantee limited to label claims.

If, for any reason, you are not 100% satisfied, Messinas will refund the suggested retail price or replace this product within thirty days of the date of purchase. Messinas will not be liable for any damage, direct or indirect. Refund or replacement of product is our only obligation.
