STORAGE & DISPOSAL: Storage: Store in a cool, dry place. Do not store unused applicators separately from their packaging. **Container Disposal:** If Empty: Do not reuse empty applicator. Place in trash or other agency for recycling if available. **If Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
HAZARDS TO HUMANS: Repeated exposure to Etofenprox can cause skin irritation.
HAZARDS TO ANIMALS: For External Use on Cats Only. Do not use on kittens less than 12 weeks old. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

In case of emergency, or for product information call 1-800-234-2269.

READ ENTIRE LABEL BEFORE USE.
USE ONLY ON CATS OR KITTENS 12 WEEKS OF AGE AND OLDER.
Specially formulated for Cats and Kittens
BIO SPOT Spot On® Flea & Tick Control For Cats & Kittens is a long-lasting topical applied product specifically formulated for cats and kittens to prevent and control flea infestations. This product contains Etofenprox which kills biting adult fleas, deer ticks, and mosquitoes your cat may acquire from its surroundings. It also contains an insect growth regulator (IGR), (S)-Methoprene, which prevents flea eggs from maturing into biting adults.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product contains 3 monthly doses, each 0.034 fl oz (one monthly dose). Do not apply more than once every month.

USE ONLY ON CATS AND KITTENS 12 WEEKS OF AGE AND OLDER.
Do not get this product in your cat's eyes or mouth.

Bend at perforation and tear off 1st month's applicator. Hold applicator upright and bend area of plastic at perforation, tear off and discard. Prior to application of the product, gently lift the cat's or kitten's hair coat on the back of the neck at the base of the skull, position the tip of the applicator on the cat's exposed skin and squeeze out the entire contents of the applicator onto the cat's skin. Do not bathe cat within the first 24 hours after product has been applied.

Households with more than one cat should prevent cats from grooming each other until solution has dried. Repeat application once monthly.

FOR CATS & KITTENS UNDER 5 LBS
