PRECAUCIÓN

Vea el Panel Posterior para Precauciones Adicionales.

NET WT/PESO NETO 1 lb. (453 g)

ACTIVE INGREDIENTS/INGREDIENTES ACTIVOS:

Pralletinil (RS)-2-Methyl-4-oxo-3-(2-propynyl)cyclopent-2-enyl (1RS)-cis, trans-chrysanthemate]	0.03%
Esfenvalerate (S)-Cyano (3-phenoxyphenyl, methyl 4-chloro- α -(1-methylethyl) benzeneacetate]	0.05%
*N-Octyl bicycloheptene dicarboximide	0.29%
OTHER INGREDIENTS/OTROS INGREDIENTES	99.63%
TOTAL	100.00%

*MBK[®] 264, Insecticide Synergist

Shake well before using

DIRECTIONS FOR USE

If it is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: Apply this product only as specified on this label. Do not contaminate food or feeds/livestock. **This product is intended for indoor/limited outdoor residential use only.** All residential outdoor applications must be limited to building surfaces and spot treatments on structures only. Broadcast surface applications are prohibited. Do not allow adults, children, or pets to enter the treated area until sprays have dried. Do not allow children or pets to contact treated surfaces until spray has dried. Do not apply this product in a way that will contact adults, children, or pets either directly or through drift. Do not wet articles to the point of run-off or drip. Do not use treated articles until spray has dried. Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment and food processing surfaces, or wash them before use. Do not water the treated area to the point of run-off. Do not make applications during rain. Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage in sewers, storm drains, water bodies, or aquatic habitat, can occur. Do not allow this product to enter any drain during or after application. Remove pets, birds, and cover fish aquariums before spraying. Only for use in and around residential areas such as Rooms, Apartments, Homes, Attics, Basements, Campers, Boats, Household Storage Areas, Garages, Pet Sleeping Areas, and Cabins.

SHAKE WELL BEFORE USE.

USE INFORMATION: Use this spray as a spot or crack and crevice treatment to control Asian lady beetles, cockroaches, fleas, silverfish, waterbugs, and other insects listed below. Apply this product only as a coarse spray for crack and crevice treatment to localized areas where pests are found or may occur. Spray surfaces until wet.

FOR SPOT TREATMENT: To Kill Ants, Spiders, Asian Lady Bird Beetles, Black Widow Spiders, Cockroaches, Crickets, Scorpions and Silverfish: Spray areas where these insects are found or may hide, including dark corners of rooms and closets, cracks and crevices in walls, along baseboards and near and window frames, behind and beneath sinks, stoves, refrigerators, and cabinets, and around garage cans, plumbing, and other utility installations. Pests driven out of hiding places should be sprayed directly. **For Ants,** spray ant trails and around doors and windows, and wherever else these pests may find entrance.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal. **PESTICIDE STORAGE:** Store in a cool, dry area. Always store pesticides in the original container. Store away from food and pet food. **PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Do not puncture or incinerate! Nonrefillable Container. Do not reuse or refill this container. If empty: Place in trash or other for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals.

FIRST AID: IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a poison control center or doctor for treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes. Then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF SWALLOWED:** Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor or going for treatment. For information regarding medical emergencies or pesticide incidents, call 1-800-740-6712.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic invertebrates. Do not apply directly to or near water, or to areas where surface water is present, or to intertidal areas below the mean water mark. Do not apply when weather conditions favor drift from treated areas. Drift and run-off may be hazardous to fish in water adjacent to treated areas. Do not contaminate water when disposing of equipment wash waters. See Directions for Use for additional precautions and requirements.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting. Do not apply this product in or on electrical equipment due to possibility of shock hazard.

Agítelo bien antes de usarlo

ALMACENAMIENTO Y ELIMINACIÓN

No contamine el agua, los alimentos, o alimentos para animales al almacenamiento o eliminarlo. **ALMACENAMIENTO DEL PESTICIDA:** Almacene en un lugar fresco y seco. Siempre almacene en el envase original. Almacene aparte de los alimentos o alimentos para animales. **ELIMINACIÓN DEL PESTICIDA Y MANEJANDO EL RECIPIENTE:** No perforo ni incinere! Recipiente no se puede rellenar. No vuelva a usar o volver a llenar este recipiente. **Si está vacío:** Coloque en la basura u otro local para reciclaje si ese servicio está disponible. **Si está parcialmente lleno:** Llame a su agencia local para conocer sobre su disposición.

DECLARACIONES DE PRECAUCIÓN

RIESGOS PARA LOS HUMANOS Y LOS ANIMALES DOMESTICOS

PRECAUCIÓN: Causa irritación moderada en los ojos. Dañino si se traga o se absorbe a través de la piel. Evite el contacto con los ojos, piel o ropa. Lavese cuidadosamente con agua y jabón después de manipular el producto y antes de comer, beber, utilizar goma de mascar o productos de tabaco. Retire la ropa contaminada y lávela antes de volverla a usar. El contacto prolongado o frecuentemente repetido con la piel puede causar reacciones alérgicas en algunas personas.

RIESGOS AMBIENTALES: Este pesticida es tóxico para los peces y otros invertebrados acuáticos. No aplique directamente al agua, o en áreas donde haya agua en la superficie o en áreas entre mareas por debajo de la pleamar (realde). No aplique cuando las condiciones climáticas favorecen la deriva desde las áreas tratadas. El escurrimiento y la propagación pueden ser peligrosos para peces en aguas adyacentes a las áreas vecinas. No contamine el agua al limpiar el equipo o al eliminar los desechos. Vea las Instrucciones de Uso para precauciones adicionales y requisitos.

RIESGOS FÍSICOS O QUÍMICOS: Contenido bajo presión. No utilice o almacene cerca del calor o llamas. No perforo ni incinere el envase. La exposición a temperaturas superiores a 130° F (54.4°C) puede ocasionar que estalle. No aplique este producto en equipos eléctricos ni dentro de ellos debido a la posibilidad de descarga eléctrica.

PRIMEROS AUXILIOS: SI ESTUVO EN CONTACTO CON LA PIEL O LA ROPA: Qúiese la ropa contaminada, enjuague la piel inmediatamente con abundante agua durante 15 - 20 minutos. Llame a un centro de control de envenenamiento o a un médico para solicitar tratamiento. **PARA LOS OJOS:** Mantenga el ojo abierto y enjuague lenta y suavemente con agua durante 15 - 20 minutos. Retire las lentes de contacto, si las usa, después de los primeros 5 minutos. Luego continúe enjuagándose los ojos. Llame a un centro de control de envenenamiento o a un médico para solicitar tratamiento. **SI SE INGERIE:** Llame inmediatamente a un centro de control de envenenamiento o a un médico. No induzca el vomito o menos que así se lo haya ordenado un centro de control de envenenamiento o un médico. No administre **ningún** líquido a la persona. No administre nada por vía oral (por la boca) a una persona inconsciente. Lleve consigo el envase del producto o la etiqueta cuando llame o vaya a un centro de control de envenenamiento o al médico. Para información relativa a emergencias médicas o incidentes con pesticidas, llame al 1-800-740-6712.
