## Vegetation Killer

**WALKWAYS**

**DRIVEWAYS**

**GRAVEL PATIOS**

**AROUND BUILDINGS**

**KILLS WEEDS AND GRASSES, ROOTS AND ALL  
KILLS EXISTING VEGETATION**

**PREVENTS REGROWTH FOR UP TO ONE YEAR**

**USE IN LOCATIONS WHERE  
NO PLANT GROWTH IS DESIRED**

**COVERS UP TO 1,000 SQ. FT.  
CUBRE HASTA 1,000 PIES CUADRADOS**

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION** See back panel for additional  
Precautionary Statements and First Aid

**MANTÉNGASE FUERA DEL ALCANCE DE LOS NIÑOS**

**PRECAUCIÓN** Revise el panel posterior para obtener Declaraciones  
de Precaución adicionales y los Primeros Auxilios

**ACTIVE INGREDIENT:**

Dichlobenil: 2,6-Dichlorobenzonitrile..... 2.0%

**OTHER INGREDIENTS:**..... 98.0%

**TOTAL:**..... 100.0%

**NET WEIGHT/PESO NETO 10 LB (4.5 kg)**

**DECLARACIONES DE PRECAUCIÓN  
RIESGOS PARA LOS SERES HUMANOS Y ANIMALES DOMESTICOS**

**PRECAUCIÓN:** Es dañino si se absorbe o se inhala. Evite el contacto con ojos, piel o ropa. Evite respirar el polvo. Se recomienda lavarse las manos antes de comer, beber, mascar, usar tabaco o usar el baño. También se recomienda quitarse la ropa contaminada y lavarla antes de volver a usarla.

**PRIMEROS AUXILIOS**

**SI SE TRAGA:** Llame inmediatamente al Centro de envenenamiento o al médico para obtener recomendaciones de tratamiento. **SI SE INHALA:** Llame al Centro de envenenamiento o al médico para obtener recomendaciones de tratamiento.

**RIESGOS AMBIENTALES**

Para proteger el ambiente, no permita que el pesticida entre en drenajes pluviales, cuando no haya precipitación, cunetas o aguas superficiales, aplique este producto en clima tranquilo viento o la lluvia no soplen sobre el pesticida del área de tratamiento. Barrer el producto que cae en el camino de acceso, cercas o en la calle de regar, o al área tratada del césped, jardín o patio. Evite que se escurra a los cursos de agua o sistemas de drenaje. Este pesticida puede ser tóxico para peces, aves acuáticas y otros animales acuáticos. Evite que se escurra a los cursos de agua o sistemas de drenaje. Este pesticida puede ser tóxico para peces, aves acuáticas y otros animales acuáticos.

**INSTRUCCIONES**

Es una violación a la ley Federal usar este producto de forma inconsistente con su etiqueta. Solamente para uso residencial. No se para uso en interiores.

**RECOMENDACIONES DE SEGURIDAD PARA EL USUARIO**

Los usuarios deberán lavarse las manos antes de comer, beber, mascar, usar tabaco o usar el baño. Los usuarios deberán quitarse la ropa inmediatamente si les cae adentro el pesticida. Luego deberá lavarse completamente y ponerse ropa limpia.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or absorbed through skin or inhaled. Avoid contact with eyes, skin or clothing. Avoid breathing dust. It is recommended you wash hands before eating, drinking, chewing gum, and using tobacco, or before you use.

**PRECAUTION:** It is also recommended you remove contaminated clothing and put on clean clothing.

**USERS SAFETY RECOMMENDATIONS**

Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

**GENERAL PRECAUTIONS AND RESTRICTIONS**

Immediately following application, thoroughly water-in granules (not to the point of puddling or runoff). Do not apply this product in a way that will contact any person or pets, either directly or through drift. Keep people and pets out of the area during application. Do not enter or allow persons or pets to enter the treated area until granules are thoroughly watered in and the treated soil has dried. Do not seed or transplant into treated areas for one year after application. Do not use on extremely light sandy soils. Application is limited to once per year at a maximum rate of 18 oz. per 100 square feet. Do not apply to areas on slope above lawns or susceptible crops as runoff water from treated area could cause injury.

**WHERE TO APPLY**

This product is nonselective in action and destroys all types of vegetation. Apply only to areas where complete weed and grass control is desired. This product may be used in many places around your yard where you do not want anything to grow, such as driveways, gravel parking areas, walkways and paths. Apply to areas on slope above lawns or susceptible crops as runoff water from treated area could cause injury.

**HOW TO APPLY**

Measure area to treat with granules. FOR COMPLETE NONSELECTIVE WEED & GRASS CONTROL - Apply 15 to 18 oz. (2 1/3 to 4 cups) per 100 square feet. The lighter rate may be used if the weed infestation is primarily annuals. For perennial weeds and in dry soil areas the higher rate should be used. Dead weeds from previous seasons' growth do not need to be removed.

**RESULTS**

Control of existing vegetation, such as shallow-rooted grasses and annual weeds, will occur two to three weeks after application. Prevents regrowth of weeds and grasses for up to one year.

**WHEN TO RE-PLANT AREA**

The treated area may be totally or partially non-productive for one or more years. Do not seed or transplant into treated areas for one year after application.

**STORAGE AND DISPOSAL**

Store this product in its original container in a locked area out of reach of children and domestic animals. **PESTICIDE DISPOSAL:** If partly filled. Call your local soil waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain, trash or offer for recycling if available. Do not reuse or refill container. Place in original container for recycling if available.

**NOTICE:** To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. To the extent consistent with applicable law, buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
