PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid contact with eyes. Wash thoroughly with soap and water after handling. Avoid contamination of food or feed. Do not leave package where children or animals may gain access.

FIRST AID

IF SWALLOWED: Call a Poison Control Center or Doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by Poison Control Center or Doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or Doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or Doctor for treatment advice.

HOT LINE NUMBER Have the product container or label with you when calling a Poison Control Center or Doctor, or going for treatment. For Emergency Information on our product call 1-800-255-3924.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Press in all side holes.
2. Remove all sources of food such as crumbs, sugar and grease spots.
3. Place under sinks-refrigerators-cupboards.
4. Place by ant trails where ants are numerous.
5. For Garden & Lawn: Place along trails & ant colonies. Put Traps 10-20 ft. apart. In 3-7 days ants will be killed. Replace with new traps every 30 days.

Avoid Contamination with food and feedstuff.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed with storage and disposal.

STORAGE: Store in a cool dry place inaccessible to children and pets.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:

Nonrefillable Container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

HOW THE SYSTEM WORKS: The ants you see are worker food providers to the Queen Mother and the larvae residing in the nest. The worker ants feed the colony and then themselves.
