DeFence by Havahart® Rabbit and Deer Repelling Pellets

This unique, long lasting pelletized formula effectively repels rabbits and deer from gardens, flowers and landscaped areas. In its pelletized form, DeFence by Havahart® won't wash or blow away as easily as some granular & powder applications. Our active ingredients are throughout the pellet and not just coated on - the repellency continues until the pellet disappears! Sprinkle around areas to be protected - it is safe to use around people, pets and plants!

This product has not been registered by the United States Environmental Protection Agency. Woodstream Corporation represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.

DIRECTIONS FOR USE:

Apply DeFence by Havahart® when first signs of damage appear or when deer or rabbits are seen on your property or nearby. Lightly sprinkle DeFence by Havahart® evenly over the area to be protected at a rate of 1 lb. per 500 square feet. This product may be applied directly from the container or by using a spreader. Do not apply directly to food crops intended for consumption. For food crops and specific sites such as ornamental plants, trees or shrubs, apply product to the area around the plant. Avoid creating piles when applying the product. Reapply DeFence by Havahart® Repelling Pellets when effects of previous treatment begin to fade. More frequent application may be needed during periods of prolonged, heavy or frequent rainfall.

STORAGE & DISPOSAL:

Do not contaminate water, food or feed by storage or disposal.

STORAGE:

Store in original container in a cool, dry place inaccessible to children and pets.

CONTAINER DISPOSAL:

If Empty: Do not reuse or refill this container. Place in trash or offer for recycling if available. **If Partly Filled:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS:

Do not swallow. Avoid contact with eyes as product may cause eye irritation. Wash thoroughly with soap and water after handling this product. Do not apply directly to water, or to areas where surface water is present or to inter-tidal areas below the mean high water mark.

IMPORTANT:

This product contains egg solids which may cause allergic reactions in some individuals. Do not allow product or product dust to drift onto plants intended for human consumption when applying.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first five minutes, then continue rinsing eye. If irritation persists, call a physician for treatment advice.

Note: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.

Satisfaction Guaranteed: If for any reason you are not 100% satisfied, Woodstream will refund the suggested retail price or replace this product. Woodstream will not be liable for any damage, direct or incidental. Refund or replacement product is our only obligation. Call 1-800-800-1819 ext. 490.
