

Active Ingredient
Rosemary Oil 10%
Other Ingredients 90%
Water, Polyglyceryl Oleate
Lauric Acid

Directions for Mix
Shake Well Before Use.

Sixteen(16) ounces of SNS 217C will make 96
ounces of Ready to Use Spider Mite Control solution.

Mix 4 ounces of SNS 217C Spider Mite Control
Concentrate to 20 ounces of water.

Mix well until solution has a light yellow tint with little
foam on top. Mixed solution may be stored or
used immediately. For best results use warm (70 degree)
Distilled or "Chlorine Free" Water.

Directions for Use

In a sprayer shake well, adjust spray nozzle setting.
Spray directly onto insects and infected areas until
thoroughly covered. Spray as needed when insects
are seen, most effective when

used on a 7-14 day schedule. Spray to run off. Complete
coverage of all plant tissue is necessary for control.

Because it is made from natural ingredients you should
shake the bottle before using and once in a while during
use. Thoroughly wash all food areas and food materials
contacted with soap and water.

Do not spray near heat or open flame.

SNS 217C Is Exempt From
US EPA Registration Under
The Federal Insecticide,
Fungicide and Rodenticide
Act (FIFRA)

SNS

217C™ Patent Pending

All Natural Spider Mite Control

Concentrate

Makes up to 96 ounces

Kills and Repels Spider Mites
and their Eggs

Safe Around Children And Pets
When Used As Directed

16 FL. OZ (473.12mL)

Made in USA
