Now there is an organic insecticide that is safe to use around children and pets. EcoSMART Organic Bed Bug Repellent is made from a patented blend of organic plant oils. It repels bed bugs for hours without any synthetic toxins or harmful residues. It's safe. It's effective. It's smart. Naturally.

DIRECTIONS FOR USE:

SHAKE WELL BEFORE USING. READ ENTIRE LABEL AND USE ACCORDINGLY.

FOR INFORMATION ON HOW TO PROPERLY CHECK A ROOM FOR BED BUGS, GO TO www.ecosmart.com

BEFORE YOU USE: This product contains plant oils which are inherently fragrant. For people who are sensitive to fragrances, test a small application before using over a larger area. While staining is unlikely, it is recommended to test for possible staining on an inconspicuous area on surfaces to be sprayed.

FOR TREATMENT / PROTECTION AROUND BEDS: Spray around base/legs of bed and in cracks/crevices in bed frame. Spray all cracks/crevices around the headboard and footboard of the bed. Spray around the nightstand, any wall hangings and along the floorboard adjacent to the bed. Also, spray around the location where your luggage will be placed. Repeat as necessary.

FOR TREATMENT / PROTECTION ON MATTRESSES: Remove linens. Spot treat areas on mattress that may harbor bed bugs including in and around tufts, folds and seams. Repeat as necessary.

PRECAUTIONARY STATEMENTS: Caution – We recommend good safety practices when using any pesticide, such as avoiding contact with eyes and skin and keeping out of the reach of children. If product gets in eyes, flush with water. If on skin, wash with soap and water. If irritation persists, contact a physician.

PHYSICAL HAZARDS: Contents under pressure. Keep away from heat, sparks and open flames. Do not puncture or incinerate container. Exposure to temperatures above 130° Fahrenheit may cause container to burst.

STORAGE & DISPOSAL: Store in a cool, dry area away from heat and open flame. When container is empty, recycle if available.

LIMITATION OF LIABILITY: To the extent consistent with applicable law, EcoSMART makes no warranties of merchantability or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label, directions and precautionary statements.

EcoSMART represents that this product is a Minimum-Risk pest control product, and qualifies for exemption from EPA registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).
