BROADLEAF WEED CONTROL +LAWN FERTILIZER

STOP! READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS AND FOLLOW DIRECTIONS CAREFULLY.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

If in eyes:
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.
For Emergency Medical Treatment Information call **(888)208-1368.**

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates and may adversely affect non-target plants. To protect the environment, **DO NOT** allow pesticide to enter or runoff into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn will help to prevent runoff to water bodies or drainage systems.

This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination. Application around a cistern or well may result in contamination of drinking water or groundwater.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

- **DO NOT** apply this product in a way that will contact any person or pet either directly or through drift.
- This product is for residential use.
- **DO NOT** allow people (other than applicator) or pets on treatment area during treatment. **DO NOT** enter treatment area until dust has settled.

APPLICATION INSTRUCTIONS

GreenView Broadleaf Weed Control Plus Lawn Fertilizer contains Trimec® Herbicide. Trimec® controls a wide range of lawn weeds, including dandelion, chickweed, plantain, henbit, spurge and many other listed weeds commonly found in home lawns. In addition, a 27-0-4 fertilizer provides a supply of lawn food. Possible retreatment may be necessary if (a) the lawn is heavily overrun by weeds or, (b) if adverse low moisture conditions prevail and weeds are in a state of poor growth. A second application may be made after 30 days. Treated areas may be seeded 3 weeks after application.

USE PRECAUTIONS AND RESTRICTIONS:

DO NOT use on dichondra, carpetgrass, 'Floratam' St. Augustinegrass, creeping bentgrass, or turfgrass where desirable clovers are present.

DO NOT apply this product to newly seeded grasses until well-established or after the second or third mowing.

DO NOT use this product on flowers, vegetables, groundcovers, gardens or landscape plantings including shrubs and trees.

DO NOT exceed specified dosage for any area and **DO NOT** apply this product within the dripline of or over surface roots of trees, shrubs, and other ornamentals.
Reseeding or overseeding areas may occur three (3) weeks after the application of this product.

DO NOT use this product on or near desirable plants and avoid spreading granules onto exposed root systems or adventitious shoots (rhizomes) within the drip line of the roots of desirable trees and shrubs, since injury may result.

DO NOT apply directly to or near water, storm drains, gutters, sewers, or drainage ditches. **DO NOT** apply within 25 feet of rivers, fishponds, lakes, streams, reservoirs, marshes, estuaries, bays, and oceans. **DO NOT** apply when windy. Apply this product directly to your lawn, and sweep any product landing on the driveway, sidewalk, gutter, or street back onto the treated area. To prevent product run-off, **DO NOT** over water the treated area(s) to the point of run-off or apply when raining or when rain is expected that day.

In the state of Florida, **DO NOT** apply more than 2.6 lbs./1,000 sq. ft. of turfgrass per application. **DO NOT** apply more than 5.2 lbs./1,000 sq. ft. turfgrass per year.

DO NOT apply near water, storm drains or drainage ditches. **DO NOT** apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands on the driveway, sidewalk, or street, back onto your lawn.

HOW MUCH TO APPLY:

For use on: Kentucky bluegrass, fescue spp., perennial ryegrass, common bermudagrass, bahiagrass, zoysiagrass, St. Augustinegrass, centipedegrass, hybrid bermudagrass, and colonial bentgrass. Apply 2.6 pounds of product per 1,000 square feet of turfgrass. A second application may be made after 30 days. The maximum number of broadcast applications per treatment site is 2 per year.

Maximum Use Rate Statement

DO NOT apply more than 2.6 pounds of product per 1,000 square feet of turfgrass per application. If necessary, a second application may be made no sooner than 30 days after the first. **DO NOT** apply more than 5.2 pounds of product per 1,000 square feet per year.

The maximum broadcast application rate per acre is 1.28 lbs. 2,4-D ae, 0.29 lb. MCPP-p ae and 0.12 lb. dicamba ae per acre per application. The maximum seasonal rate is 2.56 lbs. 2,4-D ae, 0.58 lb. MCPP-p ae and 0.25 lb. dicamba ae per acre.

WHEN TO APPLY:

Apply when listed broadleaf weeds are actively growing in spring or early fall.

Apply when the air is calm to ensure uniform coverage and avoid spreading granules onto flowers, vegetables, and ornamental shrubbery.

APPLICATION INSTRUCTIONS:

1. Mow lawn to normal height 1 to 2 days before application.
2. Water lawn thoroughly at least 1 to 2 days before application to sustain moisture until the next watering (see step 5).
3. Apply when weeds are young and actively growing, preferably in the morning when the dew is on the grass. If grass is not moist at time of application, sprinkle lightly with water before applying product.
4. Avoid applying when temperatures are consistently above 90°F.
5. **DO NOT** wash from weed leaves for 1 to 2 days after application. At this time, a thorough watering should be made.

SPREADER SETTINGS

BROADCAST SPREADERS:

Scotts Turf Builder EdgeGuard	4.25
Scotts Whirl Hand-Powered	4
Scotts Elite	4.5
Sta-Green 32lb Precision	4.5
Agri-Fab 45-0463 130 lb. Tow-Behind	3.5

DROP SPREADERS:

Scotts Turf Builder Classic Drop	5.5
Yardworks 75lb	4
Agri-Fab 175 lb Tow Behind 45-0288	3.5

Note: If spreader model does not appear above please call toll free **800-233-1067**, 8 am - 5 pm ET, Monday – Friday for additional model settings.

Broadcast Spreader
Apply in a single pass by starting on the outside border and apply in a circular path working toward the center.

Drop Spreader
First make two passes along the top of the area you'll be covering. Then make two passes along the bottom area. Then move back and forth along the long part of the lawn. On each pass, as you reach the strips at the top and bottom of the area to be covered, shut off the spreader. It's also important to shut off the spreader when you are stopped.

STORAGE AND DISPOSAL

DO NOT contaminate water, food or feed by storage and disposal.
Pesticide Storage: Store product in its original container in a cool, dry, locked place out of the reach of children and animals.
Pesticide Disposal and Container Handling: Nonrefillable container. **DO NOT** reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.
Never place unused product down any indoor or outdoor drain.

WARRANTY

NOTE: To the extent consistent with applicable law, Buyer assumes all responsibility for safety and performance if this product is not used according to the directions.

Lebanon Seaboard Corporation guarantees you will be satisfied with the performance of this product when used as directed, or your money back. If not satisfied, describe the nature of your problem and simply send proof of purchase to Lebanon Seaboard Corporation, 1600 East Cumberland Street, Lebanon, PA 17042.
