Kills Weeds AND Grass

Spectracide®

For outdoor residential use only.

WEED & GRASS KILLER

FOR LARGE AREAS

CONCENTRATE

Herbicida concentrado para maleza y pasto en zonas grandes

Rainproof In 15 Minutes

Visible Results In 3 Hours

Kills The Root

For Best Results, Apply When Temperature Is Above 60˚F

Active Ingredients:

Diquat dibromide	2.30%
Fluazifop-p-butyl	1.15%
Dicamba*, Dimethylamine salt	0.77%
Other Ingredients	95.78%
Total	100.00%

*0.054 lb Dicamba acid equivalent per gallon or 0.63%

KEEP OUT OF REACH OF CHILDREN

WARNING See back booklet for additional precautionary statements.

†For terms of guarantee, see back panel.

MANTÉNGASE FUERA DEL ALCANCE DE LOS NIÑOS

AVISO Consulte el folleto en la parte posterior para conocer las declaraciones preventivas adicionales.

Net Contents 32 fl oz (1 qt/946 mL) 17-16172

ATTACH TO HOSE

3. Abra el agua del grifo. Extienda la manguera hasta la zona más alejada que se vaya a tratar y retroceda hacia el grifo de manera de no entrar en contacto con la zona tratada.
4. Quite la lengüeta de seguridad de la parte derecha del rociador jalándola hacia afuera. Guarde para volver a usar en el futuro.
5. Para COMENZAR a rociar, dirija la boquilla hacia la zona a tratar y con el dedo pulgar, jale la llave hacia atrás hacia la conexión de la manguera. El agua se mezclará automáticamente con el producto.
6. Rocíe hasta mojar para controlar las malezas. Camine a ritmo regular, volviendo hacia el grifo mientras rocía con un movimiento de barrido parejo, superponiendo ligeramente las zonas tratadas.
7. Para DETENER el rocío, presione con el dedo pulgar la llave adelante hacia la boquilla. Cierre el agua del grifo. Para reducir la presión antes de quitar la boquilla de la manguera, con el dedo pulgar, jale la llave atrás hacia la conexión de la manguera hasta que el agua deje de salir como rocío.
8. Para GUARDAR el producto sin usar, asegúrese de que la llave esté completamente hacia adelante y en la posición "OFF" (apagado).
9. Vuelva a colocar la lengüeta de seguridad en la parte derecha del rociador. Con el rociador en la posición "OFF" (apagado) completamente, presione la lengüeta en su posición.
10. Guarde en un lugar fresco, lejos del calor, la luz solar o el fuego.

‡*Las señales visuales y el tiempo para la eliminación total dependerán del tipo de maleza y pasto, la temperatura y la dosis de aplicación.*

ALMACENAMIENTO Y ELIMINACIÓN

Almacenamiento del pesticida: Guarde este producto solo en su envase original en un lugar de almacenamiento seguro lejos de fuentes de calor o del fuego. No permita que se congele. **Eliminación del pesticida y manipulación del envase:** Envase no rellenable. No vuelva a usar ni a rellenar este envase. **Si está vacío:** Tírelo en la basura u ofrézcalo para reciclar, si existe esa opción. **Si está parcialmente vacío:** Llame a su servicio de eliminación de desechos más cercano para obtener instrucciones sobre su eliminación. Nunca tire el producto sin usar por ningún drenaje interno ni externo.

NOTA: Hasta el grado que sea compatible con la legislación pertinente, el comprador asume toda la responsabilidad para seguridad y uso que no estén de acuerdo con las instrucciones.

WHAT TO EXPECT

- *PICTURED WEED: Plantain*
- *APPLICATION RATE: 7 fl oz/gallon of water*
- *EXPECTED VISUAL SYMPTOMS: Leaves yellowing/browning, then curling, twisting, wilting & shriveling*
- *‡Visual symptoms & time to complete kill will depend on weed & grass type, temperature & application rate*

First Aid

If on Skin or Clothing: • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a Poison Control Center or doctor for treatment advice. • **If in Eyes:** • Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a Poison Control Center or doctor for treatment advice.
Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact 1-800-917-5438 for emergency medical treatment advice.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING. Causes skin irritation. Causes moderate eye irritation. Do not get on skin or clothing. Avoid contact with eyes. Wear chemical-resistant gloves made out of any waterproof material. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Personal Protective Equipment (PPE):

Wear chemical-resistant gloves made out of any waterproof material.

USER SAFETY RECOMMENDATIONS

Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
Users should remove clothing and personal protective equipment immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

Environmental Hazards

This pesticide is toxic to aquatic invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid runoff to water bodies or drainage systems.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

†**GUARANTEED RESULTS OR YOUR MONEY BACK**

If you are not satisfied with this product for any reason, send your written request for a refund to the address below, together with the original dated store receipt showing the price you paid. Please allow 6-8 weeks for processing.

STOP **READ ENTIRE LABEL BEFORE USE.**
ALTO. LEA TODA LA ETIQUETA ANTES DE USAR.

HOW IT WORKS

This product is a non-selective herbicide that will kill all vegetation contacted. It enters plants through the leaves and moves down to the roots. This will ensure that the entire plant is killed. Avoid direct spray or drift onto desirable plants, lawn grasses, shrubs and trees. Protect desirable plants and vegetation with a piece of plastic or cardboard. If desirable plants are accidentally sprayed, wash plants with water immediately.

DIRECTIONS FOR USE

STOP. Read Entire Label Before Use.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For outdoor residential use only.*

Do not allow people or pets to enter the treated area until sprays have dried.

APPLICATION RESTRICTIONS

Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application. Do not mow for seven days before or after treatment. Do not make more than two applications per year to any given area.

USE TIPS

- Use this product to kill the old lawn and existing weeds and grasses.
- For best results, apply in spring or fall when daytime temperatures are at least 60°F.
- If the lawn is dry, water lawn every other day for a week before applying

Spectracide® Weed & Grass Killer For Large Areas Concentrate.

- **Wait seven days after last application to rake, till or replant with seed or sod.**
- Rake up and remove loosened thatch or debris.
- Mix in starter fertilizer and soil amendments, if needed. Level the soil.
- Apply seed according to directions on seed package, or install sod. Grass seed must have good contact with soil to germinate and grow.
- Keep area moist for two weeks to establish new lawn, then water as needed.

HOW TO APPLY‡

Determine the size of the spraying job. This container will treat 1,350 sq ft as part of a lawn renovation/replacement program.

HOW TO USE

1. Shake container well before using.
2. Connect a garden hose to the sprayer nozzle. Make sure switch is fully forward in the "OFF" position.
3. Turn on water at faucet. Extend hose to the farthest area to be treated and work back toward the faucet so you don't come in contact with the treated area.
4. Remove safety tab from sprayer's right side by pulling straight out. Keep for future reuse.
5. To BEGIN spraying, point nozzle toward treatment site and pull switch backwards with thumb toward hose connection. Water will automatically mix with the product.
6. Spray until wet to control weeds. Walk at a steady pace, working back toward the faucet while spraying, using an even sweeping motion, slightly overlapping treated areas.
7. To STOP spraying, push switch forward with thumb toward nozzle. Turn water off at faucet. To relieve pressure before removing nozzle from hose, pull switch backwards with thumb toward hose connection until water stops spraying.
8. To STORE unused product, make sure switch is fully forward in the "OFF" position.
9. Reinstall safety tab into sprayer's right side. With sprayer in the full "OFF" position, push tab into position.
10. Place in cool area away from heat, sunlight or open flame.

‡ *Visual symptoms and time to complete kill will depend on weed and grass type, temperature and application rate.*

STORAGE AND DISPOSAL

Pesticide Storage: Store this product only in its original container in a secure storage area away from sources of heat or open flame. Protect product from freezing. **Pesticide Disposal and Container Handling:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

Questions & Comments? Call 1-800-917-5438 or visit our website at www.spectracide.com

CÓMO FUNCIONA • Este producto es un herbicida no selectivo que mata toda la vegetación con la que entra en contacto. Entra a las plantas a través de las hojas y se mueve hacia abajo hasta las raíces. Esto asegurará que toda la planta morirá. Evite el rocío directo o el arrastre a plantas, céspedes, arbustos y árboles deseables. Proteja las plantas y vegetación deseables con un trozo de plástico o cartón. Si las plantas deseables se rocían accidentalmente, lávelas inmediatamente con agua.

Primeros auxilios	
Si entra en contacto con la piel o la ropa:	• Quítese la ropa contaminada. • Lave inmediatamente la piel con abundante agua durante 15 a 20 minutos. • Llame a un centro de control de envenenamientos o a un médico para recibir instrucciones de tratamiento.
Si entra en contacto con los ojos:	• Mantenga los ojos abiertos y enjuague con agua lentamente, con cuidado, durante 15 a 20 minutos. Si hay lentes de contacto, retírelos después de los primeros 5 minutos, luego continúe enjuagando los ojos. • Llame a un centro de control de envenenamientos o a un médico para recibir instrucciones de tratamiento.
Cuando llame a un centro de control de envenenamientos o a un médico, o intente obtener tratamiento, tenga a la mano el envase o la etiqueta del producto. También puede llamar al 1-800-917-5438 para obtener información sobre tratamiento médico de urgencia.	

DECLARACIONES PREVENTIVAS

Riesgos para los seres humanos y los animales domésticos

AVISO. Causa irritación de la piel. Causa irritación moderada a los ojos. Evite el contacto con la piel o la ropa. Evite el contacto con los ojos. Use guantes resistentes a los productos químicos fabricados con cualquier material impermeable. Lávese muy bien con agua y jabón después de manipularlo y antes de comer, beber, masticar chicle, usar tabaco o usar el baño. Quítese la ropa contaminada y lávela antes de volverla a usar.

Equipo de protección personal (EPP):

Use guantes impermeables resistentes a químicos.

RECOMENDACIONES DE SEGURIDAD PARA EL USUARIO

Los usuarios deben lavarse las manos antes de comer, beber, masticar chicle, usar tabaco o usar el baño. Los usuarios deben quitarse la ropa inmediatamente si el pesticida pasa a través de la misma. Luego deben lavarse muy bien y ponerse ropa limpia.

Los usuarios deben quitarse la ropa y el equipo de protección personal inmediatamente después de manipular este producto. Lave la parte exterior de los guantes antes de quitárselos. Lávese muy bien y póngase ropa limpia tan pronto como sea posible.

Riesgos para el medio ambiente

Este pesticida es tóxico para los invertebrados acuáticos. Para proteger el medio ambiente, no permita que el pesticida entre o se escurra por drenajes pluviales, zanjas de drenaje, cunetas ni aguas superficiales. Aplicar este producto cuando no haya viento y no se anticipe lluvia en las siguientes 24 horas ayudará a asegurar que ni el viento ni la lluvia arrastren o quiten el pesticida de la zona de tratamiento. Enjuagar el equipo de aplicación encima de la zona tratada ayudará a evitar el escurrimiento a masas de agua o sistemas de drenaje.

MODO DE EMPLEO

ALTO. Lea toda la etiqueta antes de usar.

Se considera una violación a la ley federal usar este producto de una manera que no sea la indicada en la etiqueta. *Solo para uso residencial al aire libre.*

No permita que las personas ni las mascotas entren en la zona tratada hasta que los rocíos se hayan secado.

LIMITACIONES DE APLICACIÓN

No aplique este producto de modo que entre en contacto con personas ni mascotas, ya sea directamente o por arrastre. Mantenga a las personas y las mascotas fuera de la zona durante la aplicación. No pode durante siete días antes o después del tratamiento. No haga más de dos aplicaciones por año a cualquier zona.

CONSEJOS SOBRE EL USO

- Use este producto para eliminar el césped anterior y las malezas y pastos actuales.
- Para obtener mejores resultados, aplique en primavera u otoño cuando las temperaturas diurnas se encuentren por lo menos en 60°F.
- Si el césped está seco, riéguelo cada dos días durante una semana antes de aplicar el Herbicida concentrado para maleza y pasto en zonas grandes de Spectracide®.
- **Espere que transcurran siete días de la última aplicación para rastrillar, cultivar o replantar con semillas o panes de césped.**
- Rastrille y elimine los desechos o paja suelta.
- Mezcle el fertilizante inicial y los acondicionadores de suelo, si es necesario. Nivele el suelo.
- Aplique las semillas de acuerdo con las instrucciones en el paquete de la semilla, o instale el césped. Las semillas de césped deben tener buen contacto con el suelo para germinar y crecer.
- Mantenga el área húmeda durante dos semanas para que se establezca el césped nuevo, luego riegue cuando sea necesario.

CÓMO APLICAR‡

Determine la magnitud de la tarea de rocío. Con este recipiente, se pueden tratar 1,350 pies cuadrados como parte de un programa para renovar/reemplazar el césped.

CÓMO USAR

1. Agite bien el envase antes de usar.
2. Conecte una manguera de jardín a la boquilla del rociador. Asegúrese de que la llave esté completamente hacia adelante y en la posición “OFF” (apagado).

First Aid • **If on Skin or Clothing:** • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a Poison Control Center or doctor for treatment advice. • **If in Eyes:** • Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact 1-800-917-5438 for emergency medical treatment advice.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING. Causes skin irritation. Causes moderate eye irritation. Do not get on skin or clothing. Avoid contact with eyes. Wear chemical-resistant gloves made out of any waterproof material.
