FIRST AID

Call a poison control center or doctor immediately for treatment advice.

EYE CONTACT - IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing. Have the product container with you when calling a poison control center or doctor, or going for treatment. If eye irritation persists: Get medical advice or attention.

SKIN CONTACT - IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. Call a poison center, doctor, chemical manufacturer, importer, or distributor to specify the appropriate source of emergency medical advice.

INGESTION - IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person. Call a poison center, doctor, chemical manufacturer, importer, or distributor to specify the appropriate source of emergency medical advice if you feel unwell.

INHALATION - IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

*Have the product container with you when calling a poison control center or doctor, or going for treatment.

GENERAL INFORMATION

FOR USE WITH AGRICULTURAL AND INDUSTRIAL PRODUCTS

TurfGro Spreader-Sticker is a highly concentrated, low-foam, non-ionic spreader activator and defoaming agent.

TurfGro Spreader-Sticker increases the activity and effectiveness of agricultural insecticides, fungicides, and herbicides by breaking down the waxy cuticle on the leaf surface, and improves adhesion between the pesticide and the plant surface.

APPLICATION RATES

<u>APPLICATION</u>	<u>PER 100 GALLONS</u>
Agriculture, citrus, Turf	1/2 to 2 pints
Utility and Highway R.O.W	1/2 to 4 pints
Forest Site Preparation	1 to 4 pints
Insecticides, Fungicides, Miticides	1/4 to 1/2 pints

DIRECTIONS FOR USE

This Product Cannot Be Used For Aquatic Applications in the State of Washington.

For use with insecticides (livestock sprays), fungicides, miticides:

Use 1/4 to 1/2 pint (4 to 8 fl. oz.) per 100 gallons of water.

For use with herbicides (terrestrial), defoliants, desiccants:

Use 1/2 to 4 pints (8 to 64 fl. oz.) per 100 gallons of water.

In difficult wetting situations (such as hard water on mature waxy foliage), the higher rates may be required.

NOTE: The application rates on this label are based on pesticide labels, which recommend the use of a nonionic surfactant. Rates of this product may be increased or decreased. For optimum results, follow pesticide labeling for proper recommendations. Before using **TurfGro Spreader-Sticker**, where a nonionic surfactant may not be recommended, the user or applicator advisor must have experience with the combination, or must have conducted a phytotoxicity trial.

STORAGE AND DISPOSAL

Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org.

NOTE: Keep out of lakes, ponds, or streams. Do not contaminate water sources by run-off from cleaning of equipment, disposal of rinse waters or spray mixtures.

WARRANTY: Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label, when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use.
