# MOLE B GON™

## MOLE & VOLE

### REPELLENT READY-TO-SPRAY

REPELENTE CONTRA TOPOS Y RATONES DE CAMPO LISTO PARA ROCIAR

Long Lasting • "No Stink" Formula

#### EASY STEPS TO PROTECT YOUR YARD AND GARDEN FROM MOLES & VOLES!

##### DIRECTIONS:

###### • Shake container well before using.

- Connect bottle to end of hose and turn on water. Point sprayer towards the area to be treated and turn knob to the ON position.
- Apply evenly across the lawn, soil or area to be treated, moving the sprayer from side to side. When using on edible crops, apply the product when no above-ground harvestable food commodities are present, including blossoms.
- To stop spraying, turn the knob to the OFF position. Turn off water. To relieve water pressure turn knob to ON position until water slows to a drip. Turn knob back to the OFF position and disconnect hose.
- Allow 20 minutes for product to dry before watering of any kind.
- Repeat application as needed, usually every 30 days or at the first sight of new damage.

This product can be applied in any climate or temperature as long as spray head and liquid are not frozen. If product freezes, return to room temperature and use according to directions.

##### ACTIVE INGREDIENTS:

Castor Oil	23.33%
Geraniol	1.00%
Peppermint Oil	0.50%

##### INERT INGREDIENTS:

Water, Xanthan Gum,
