PRECAUTIONARY STATEMENTS

Hazards to Humans And Domestic Animals

CAUTION: Causes eye irritation. Do not get in eyes, on skin or clothing. Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing dust. Remove contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling and before eating or smoking. Do not allow persons or pets in treated areas until granules have been watered in and treated area is dry.

First Aid

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. **IF ON SKIN:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **IF INHALED:** Remove person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

Environmental Hazards

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only. Not for use indoors. Moss invades the weak spots in your lawn caused by thinning and excess thatch build up. Controlling moss and fertilizing will make your lawn vigorous and strong, and less susceptible to further moss invasion. TurfKing™ Lawn Fertilizer + Moss Control is a special combination of plant foods formulated to control moss and promote strong, vigorous, lush green turf. A few days after you have applied TurfKing™ Lawn Fertilizer + Moss Control, the moss will die and turn black. For best results, apply TurfKing™ Moss Control + Fertilizer when the lawn is moist. Mow lawn to expose existing moss prior to application. This allows the granules to fall through the grass to the soil and go to work. Water in to hasten the moss killing action and greening process. Apply at the rate of 20 lbs. per 4,000 square feet for heavy moss infestation or 20 lbs. per 5,000 square feet for lighter moss infestations. One pound of this product is equal to approximately 1½ cups.

IRON WILL STAIN. USE THIS PRODUCT ON LAWNS ONLY. KEEP THIS PRODUCT OFF SURFACES SUCH AS SIDEWALKS, PATIOS, WOODEN DECKS, DRIVEWAYS AND CLOTHING. Sweep concrete surfaces immediately to prevent staining. If concrete is wet when contact occurs, staining may be impossible to prevent

TurfKing™ products distributed by Inter-American Products, Cincinnati, OH 45202

Spreader Settings

THESE SETTINGS ARE A GUIDE The condition of your spreader, your walking speed, the roughness of the lawn, and even the humidity can affect how fast the product comes out. Watch the flow rate. If the product appears to be coming out either slower or faster than you are covering the lawn, adjust the setting. Close the spreader when filling, turning, or stopping.

Rotary Spreader Models

These spreaders can toss granules a great distance. Do not allow granules to fall on surfaces that might be stained.

Rotary Spreader	20lb per 5,000 sq. ft.
Vigoro SB 4000V	8.5
Earthway Ev-N-Spread	14
Scotts SpeedyGreen 1000	7
Scotts SpeedyGreen 2000	9
Scotts SpeedyGreen 3000	7
Sta Green 4500	7

Drop Spreader	20lb per 5,000 sq. ft.
Scotts SpeedyGreen 1000	9.5
Scotts SpeedyGreen 2000	7
Scotts SpeedyGreen 3000	9
Sta Green 4500	3

Drop Spreaders
 Begin spreading by laying down two strips of this product at each end of lawn. Fill in remaining area as shown here. Close the spreader when you stop walking or make turns to avoid uneven coverage. Overlap previous track slightly, as shown, to avoid gaps in coverage. Water in after application.

Storage & Disposal

PESTICIDE STORAGE: Store this product in its original container and keep in a locked storage area out of reach of children and domestic animals. **PESTICIDE DISPOSAL: If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. **CONTAINER DISPOSAL: If empty:** Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.
