### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS & DOMESTIC ANIMALS Keep Out of Reach of Children

#### CAUTION:

Harmful if swallowed. Harmful if inhaled. Causes moderate eye irritation. Avoid breathing vapor or spray mix. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

#### Entry Restrictions

Do not allow people or pets to enter the treated area until spray has dried.

### FIRST AID

#### IF SWALLOWED

- Call a poison control center, 1-800-246-7219 or doctor for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not attempt to give anything to an unconscious person.

#### IF INHALED

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

#### IF IN EYES

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes.
- Call a poison control center, 1-800-246-7219, or doctor for treatment advice.

#### EMERGENCY MEDICAL INFORMATION

- Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
- You may contact 1-800-246-7219 for emergency medical treatment information.
- This product is identified as Roundup® Concentrate Weed & Grass Killer Plus FastAct® Select, EPA Reg. No. 71995-57.

**ENVIRONMENTAL HAZARDS:** To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather and when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

This product is toxic to aquatic invertebrates. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of wash waters.

**PHYSICAL OR CHEMICAL HAZARDS:** Spray solutions of this product may be mixed, stored and applied using only stainless steel, fiberglass, plastic or plastic-lined steel containers. DO NOT MIX, STORE OR APPLY THIS PRODUCT OR SPRAY SOLUTIONS OF THIS PRODUCT IN GALVANIZED STEEL OR UNLINED STEEL (EXCEPT STAINLESS STEEL) CONTAINERS OR SPRAY TANKS.

**NOTICE:** To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

This product is protected by U.S. Patents No. 7,008,904 and 7,989,392. Other patents pending. No license granted under any non-U.S. patents.

This is an end-use product. Monsanto does not intend and has not registered it for reformulation or repackaging.

FastAct, Roundup, and Roundup and Design are registered trademarks of Monsanto Technology LLC.

**Guaranteed Satisfaction.\***

#### \*CONSUMER GUARANTEE

If for any reason you are not satisfied after using this product, simply send us original proof of purchase and we will replace the product or refund the purchase price.

#### HOW IT WORKS

Glyphosate, the primary active ingredient, enters the plant through the foliage and moves systemically to the roots. Glyphosate kills the weeds by stopping the function of an essential enzyme found in plants but not humans or animals. Weeds die, roots and all. Kills only what you spray. Product not absorbed by the plant breaks down without moving in or on the soil to untreated plants. Weeds will begin to brown then yellow and wilt within 3 hours with complete kill in 1 to 2 weeks.

Diquat, the second active ingredient, enters the plant causing weeds to brown then yellow and wilt within 3 hours with complete kill in 1 to 2 weeks.

† **IMPORTANT:** While this product may be used to prepare a vegetable garden for planting, **DO NOT USE** for spot weed treatment after planting fruits or vegetables.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow label instructions.

#### USER SAFETY RECOMMENDATIONS

Clothing and protective equipment exposed to this product should be washed in detergent and hot water. Such items should be kept and washed separately from other laundry. Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Users should remove protective equipment immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

#### MIXING INSTRUCTIONS

Pre-measured bottle. Dilute with water to refill the 1.33 gal Roundup® Ready-to-Use Weed & Grass Killer Plus FastAct® Select.

#### HOW TO APPLY

- Spray the weeds or grasses you want to kill until thoroughly wet.
- When spot treating weeds around desirable plants, shield plants from drift with a piece of cardboard or plastic. If desirable plants are accidentally sprayed, rinse off immediately with water.

**IMPORTANT: Spray only when air is calm to prevent drift to desirable plants.**

- Apply in a manner to avoid spray drift.
- **Do not spray desirable plants or grasses.**
- Not recommended for spot weed control in lawns, since this product kills lawn grasses.

#### WHEN TO APPLY

- Apply when weeds are actively growing.
- For best fastest visual results, apply during warm, sunny weather (above 60° F) to accelerate systemic movement from foliage to roots.
- **RAINPROOF** Protection: Rain or watering 10 minutes after application will **NOT** wash away effectiveness.
- Apply when weeds are small and before seeds form. Established (Hard to kill) weeds may require a repeat application.

#### Application Restrictions:

Do not apply this product in a way that will contact any person or pet, either directly or through drift. It is not allowed that this product be used in a manner that can result in accidental exposure or movement beyond intended areas of use (i.e. neighboring yards, fence lines, etc.) due to drift. Only the person applying this product may be in the area during application.

#### WHEN TO REPLANT

- Plant ornamental flowers, trees and shrubs no earlier than **1 day after** application.
- Plant lawn grasses, herbs, vegetables, and fruits no earlier than **3 days after** application.

#### Refill Instructions:

Do not refill or reuse this container. This product can be diluted with water to refill an empty Roundup® Ready-to-Use Weed & Grass Killer Plus FastAct® Select container. Follow instructions on the Roundup® Ready-to-Use Weed & Grass Killer Plus FastAct® Select container label.
