**PRECAUTIONARY STATEMENTS:** Hazards to Humans and Domestic Animals: **CAUTION** Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after use and before eating, drinking, chewing gum, using tobacco or using the toilet.  
**ENVIRONMENTAL HAZARDS** To protect the environment, do not allow bait to enter or run off into storm drains, drainage ditches, gutters or surface waters.

**FIRST AID:** **IF IN EYES:** 1) Hold eye open and rinse slowly and gently with water for 15-20 minutes. 2) Remove contact lenses, if present, after the first five minutes, then continue rinsing. 3) Call a poison control center or doctor for treatment advice. Have the product or label with you when calling a Poison Control Center. **IF ON SKIN:** 1) Wash thoroughly with soap and water. 2) Call a poison control center or doctor for treatment advice. Have the product or label with you when calling a Poison Control Center or doctor for treatment. In case of emergency, for additional information, call 800-255-9224.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For use in and around homes, apartments, commercial, industrial, municipal, institutional, research, research, health care, educational, day care, hospital and agricultural buildings and other man-made structures, processing establishments, garages, transport vehicles, sewers, animal research facilities, and food service, storage, handling and processing establishments.

1) Remove bait from package and break bait stations apart.  
 2) Place stations label side down where pests are seen or pest activity is suspected to occur.  
 3) Do not place on food preparation surfaces when food is being handled or on utensils that are used for food preparation.  
 Remove other sources of food, like crumbs, sugar and grease spots. Common areas to place baits include along baseboards, in corners of rooms and cabinets, on countertops, under and behind appliances, under sinks, around pipes and water sources, in pantries, on window sills and ground doorways, near garbage cans, and along pest trails. **FOOD PROCESSING AND HANDLING ESTABLISHMENTS:** Food areas include serving areas while the establishment is in operation, areas for receiving, storing, packing, and preparation, and edible waste storage and enclosed processing systems. Do not contaminate food and feedstuffs. Use as instructed above.

**STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. **PESTICIDE STORAGE:** Store in a dry place, below 130° F. Do not store where children or animals may gain access. **CONTAINER HANDLING AND DISPOSAL:** If empty, Non-refillable container. Do not reuse this container. Place in trash or offer for recycling if available. If **PARTLY FILLED:** Call your local solid waste agency for disposal instructions.
