GUARANTEE - If you are not completely satisfied with this Bengal product, call (225) 753-1313 weekdays, 8:30 am - 4:00 pm Central Time. Call or visit our web site at www.bengal.com for the complete guarantee.

DIRECTIONS FOR USE
 It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact adults, children, or pets, either directly or through spray drift. Do not use indoors. All outdoor applications must be limited to spot or crack-and-crevice treatments only. Application is prohibited directly into sewers or drains, or to any areas like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow product to enter any drain during or after application. Do not make applications during rain.

*This product is non-staining to most home siding and asphalt shingles depending on the condition and cleanliness. However, you should test it in an inconspicuous area for compatibility before using on these surfaces.

TO KILL WASPS, HORNETS, BEES AND YELLOW JACKETS
 1. Apply early morning or late evening when the most insects are on the nest.
 2. Spray from a safe distance with the wind at your back to avoid spray drift.
 Do not stand directly under the nest.
 3. Shake can well before use. Aim nozzle at the nest and push button to spray.
 4. Soak the nest with the spray contacting as many insects as possible.
 5. Wait 24 hours before removing nest so returning insects will be killed.

STORAGE AND DISPOSAL
STORAGE: Protect pesticide containers from extreme heat and cold. Do not contaminate water, food, or feed by storage and disposal.
DISPOSAL AND CONTAINER HANDLING: Do Not Puncture or Incinerate!
 If Empty: Place in trash or offer for recycling, if available.
 If partly filled: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Causes moderate eye irritation. Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS
 Contents under pressure. Do not use or store near heat or open flame. Do not use this product in or on electrical equipment due to the possibility of shock hazard. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Never leave container in parked or unattended vehicles.

ENVIRONMENTAL HAZARDS
 This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water. Drift and runoff may be hazardous to fish in water adjacent to treated areas. Do not contaminate water when disposing of equipment washwater or rinsate. See Directions for Use for additional precautions and requirements.

FIRST AID	
If on skin or clothing	- Take off contaminated clothing - Rinse skin immediately with plenty of water for 15-20 minutes. - Call a physician or poison control center immediately for treatment advice.
If in eyes	- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. - Call a physician or poison control center immediately for treatment advice.
If swallowed	- Immediately call a poison control center or doctor. - Do not induce vomiting unless told to do so by a poison control center or doctor. - Do not give any liquid to the person. - Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. **Note to Physician:** Contains Petroleum Distillate. Vomiting may cause aspiration pneumonia. For information regarding medical emergencies or pesticide incidents, call 1-800-222-1222.
