

SHAKE WELL BEFORE USING

CUTTER® BACKYARD™ BUG CONTROL OUTDOOR FOGGER<sub>2</sub>**STOP. READ ENTIRE LABEL BEFORE USE.****DIRECTIONS FOR USE** .....

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Use Restrictions**

• For surface spray: Do not allow adults, children or pets to enter the treated area until sprays have dried. • Do not apply this product in a way that will contact adults, children or pets, either directly or through drift. • For space spray: Do not allow adults, children or pets to enter until vapors, mists and aerosols have dispersed, and the treated area has been thoroughly ventilated. • Do not remain in treated area. Exit area immediately and remain outside the treated area until aerosols, vapors and/or mists have dispersed. • Do not wet plants to point of runoff or drip. • Do not wet articles to point of runoff or drip. Do not use treated article until spray has dried. • Dry clean treated clothes before wearing. • Not for broadcast use on indoor residential surfaces. • Do not water the treated area to the point of runoff. • Do not make applications during rain.

All outdoor applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses:

• 1. Treatment to vegetation around structures; • 2. Applications to lawns, turf and other vegetation

All outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (such as windows, doors and eaves) are limited to spot and crack-and-crevice applications only. Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food-processing equipment and food-preparation surfaces or wash them before use. Remove pets and birds and cover fish aquariums before spraying. Vacate room after treatment and ventilate before reoccupying. Do not allow children or pets to contact treated areas until surfaces are dry.

**SHAKE WELL BEFORE USING.** • Hold can upright and spray from a distance of 12 to 15 inches.**OUTDOORS** • Point nozzle away from face. Hold can at slight downward angle. For best results, spray when air is calm. Allow a few minutes for product to take effect. Spray with wind if breeze is blowing.**FLYING INSECTS: Flies, Mosquitoes, Wasps, Yellowjackets and Gnats.** Allow fog to drift over area. Direct spray toward bushes or grass from at least 4 to 6 ft away. Give special attention to breeding areas such as garbage cans and compost piles.**STORAGE AND DISPOSAL** .....**Pesticide Storage:** Store in a cool, dry area. Do not transport or store below 32°F.**Pesticide Disposal and Container Handling:** Do Not Puncture or Incinerate. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.**PRECAUTIONARY STATEMENTS** .....**Hazards to Humans and Domestic Animals****CAUTION.** Harmful if inhaled. Avoid breathing vapor or spray mist. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, and chewing gum or using tobacco. Remove and wash contaminated clothing before reuse.**FIRST AID** • If inhaled: Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

**Environmental Hazards** • This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water. Drift and runoff may be hazardous to fish in water adjacent to treated areas. See Directions For Use for additional precautions and requirements.

This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

**Physical or Chemical Hazards** • Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not use this product in or on electrical equipment due to the possibility of shock hazard.**NOTICE:** To the extent consistent with applicable law, buyer assumes all responsibility for safety and use in accordance with directions.**Questions or Comments?** Call 1-800-767-9927 or visit our website at [www.cutterinsectrepellent.com](http://www.cutterinsectrepellent.com)
