 Use up to and including day of harvest Made with botanical oils – safe for use SHAKE

around kids, pets & wildlife

Orbital sprayer even works upside-down

**Directions for Use: SHAKE WELL!** Spray liberally to entire plant. Coverage is very important. The more complete the coverage, the better the product will perform. Orbital spray feature enables easy upside-down spraying for recommended under-leaf coverage, Repeat application as often as required to maintain desired level of control. For best results on outdoor plants, apply in early morning or late afternoon. Note: Do not apply in rainy or windy conditions or on water-stressed plants.
