PRECAUTIONARY STATEMENTS
FIRST AID
If Swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

Note to Physician: Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

Physical or Chemical Hazards
 Contents under pressure. Do not use near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Restriction: Do not spray plants, animals or food.

Two-Way Spray: Press button *very lightly* to get a narrow stream for insects hiding in cracks and crevices. Press *firmly* for a fine mist to spray surfaces where the listed insect pests crawl. Pests must be directly sprayed in order to be killed.

Indoors
To Kill Listed Crawling Pests: In a well-ventilated room, with nozzle pointing away from your face, directly spray pests that you see. May be used in homes, restaurants, hospitals, schools and food handling establishments. Specific sites where these pests may be found are kitchen cabinets, drawers and closets, under sinks and in wall and floor cracks and crevices.

To Kill Fleas: Before spraying, test a corner of fabric for compatibility. Hold container tilted down away from your face and with a sweeping side-to-side motion spray carpets, rugs, dog and cat bedding and under furniture. Fleas contacted with the spray will be killed. One 12 oz. container treats 160 sq. ft.

STORAGE AND DISPOSAL
Pesticide Storage: Store container in a cool, dry place.
Pesticide Container/Disposal: Non-refillable container, do not refill or reuse this container. Do not puncture or incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

[†]excluding Carpenter Ants, but including Pharaoh Ants, Harvester Ants and Fire Ants
^{††} except black widow and brown recluse
 *Except in California
