LIQUID FENCE®

DEER & RABBIT REPELLENT CONCENTRATE₂

Repelente concentrado
para venados y conejos₂

HARMLESS TO PLANTS & ANIMALS[†]

HOW IT WORKS

Homeowners, gardeners, professional landscapers and commercial growers have discovered Liquid Fence® Deer & Rabbit Repellent Concentrate₂ works on scent, so deer and rabbits don't even have to take a bite to be repelled. Because the animals' natural aversion to this scent will never diminish, this product DOES NOT have to be rotated with other repellent brands.

*GUARANTEE

If you are not satisfied with this product for any reason within 90 days, send your written request for a refund to the address below, together with the proof of purchase from an authorized seller showing the price you paid. Please allow 6-8 weeks for processing.

STOP. READ ENTIRE LABEL BEFORE USE. DIRECTIONS FOR USE

For outdoor use only. **Do not** apply this product if bees or other pollinators are foraging in the treatment area. **SHAKE WELL** before each use. Add 12.8 fl oz Liquid Fence® Deer & Rabbit Repellent Concentrate₂ for each gallon of water and thoroughly mix. With garden sprayer or sprinkler, apply liberally to plants and their perimeter during a dry period. Repeat process one week later and then approximately every three weeks thereafter. In areas where feeding pressure from deer and rabbits is intense, spray Liquid Fence® Deer & Rabbit Repellent Concentrate₂ once a week for three weeks, and then approximately every three weeks thereafter. **Note: When using this product, you may notice an odor. Once it dries, the odor will not be noticeable to humans but will still be very noticeable to animals.**

See inside booklet for complete Directions for Use, Storage and Disposal and Precautionary Statements.

CÓMO FUNCIONA

Los propietarios, jardineros, paisajistas profesionales y agricultores comerciales han descubierto que el Repelente concentrado para venados y conejos₂ Liquid Fence® funciona por el olor, así que los venados y conejos ni siquiera tienen que probarlo para ahuyentarse. Como la aversión natural de los animales a este olor nunca disminuirá, este producto NO tiene que rotarse con otras marcas de repelentes.

ALTO. LEA TODA LA ETIQUETA ANTES DE USAR.

MODO DE EMPLEO

Solo para usar en espacios exteriores. **No aplique** este producto si las abejas u otros polinizadores están volando por la zona de tratamiento. **AGITE BIEN** antes de cada uso. Agregue 12.8 onzas líquidas del Repelente concentrado para venados y conejos₂ Liquid Fence® por cada galón de agua y mezcle muy bien. Usando un rociador de jardín o aspersor, aplique abundantemente a las plantas y su perímetro durante un período seco. Repita el proceso una semana después y luego aproximadamente cada tres semanas de ahí en adelante. En las áreas donde la presión de los venados y conejos por alimentarse es intensa, rocíe el Repelente concentrado para venados y conejos₂ Liquid Fence® una vez por semana durante tres semanas y luego aproximadamente cada tres semanas de ahí en adelante. ***Nota: Al usar este producto, puede notar algún olor. Cuando se haya secado, el olor no será perceptible para las personas, pero seguirá siendo fuerte para los animales.***

ALMACENAMIENTO Y ELIMINACIÓN

No contamine el agua ni los alimentos para personas o animales por medio del almacenamiento o la eliminación.

ALMACENAMIENTO: Guarde en su envase original, en un lugar fresco y seco que no sea accesible a los niños y a las mascotas. Proteja del calor y evite que se congele. Guarde a una temperatura entre 40°F y 90°F. Mantenga los envases bien cerrados para evitar que se evapore. Si se produce un derrame, diluya con agua y enjuague.

ELIMINACIÓN DEL ENVASE: No vuelva a usar el envase vacío. Elimine el envase vacío de acuerdo con las leyes municipales o locales.

DECLARACIONES PREVENTIVAS

MANTÉNGASE FUERA DEL ALCANCE DE LOS NIÑOS

PRECAUCIÓN. Este producto puede ser nocivo si se ingiere. Evite el contacto con los ojos. En caso de contacto con los ojos, lave inmediatamente con abundante agua. Busque atención médica si ocurre alguna de las dos cosas.

NOTA: Hasta el grado que sea compatible con la legislación pertinente, el comprador asume toda la responsabilidad para seguridad y uso que no estén de acuerdo con las instrucciones.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40°F and 90°F. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

CONTAINER DISPOSAL: Do not reuse empty container. Dispose of empty container as required by municipal or local laws.

PRECAUTIONARY STATEMENTS

KEEP OUT OF REACH OF CHILDREN

CAUTION. This product may be harmful if swallowed. Avoid contact with eyes. If contact with eyes occurs, immediately flush with plenty of water. Seek medical attention if either occurs.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
