DUAL ACTION
RABBIT
REPELLENT
READY-TO-USE₂

*Repelente de conejos de doble acción
listo para usar₂*

HOW IT WORKS

Most rabbits can be repelled with scent alone. Because of the high volume of young rabbits and their voracious appetites, high-density rabbit populations can be an extremely persistent problem. That's why we developed a dual-action formula that repels with both scent and taste – a guaranteed-effective, one-two punch to fight extreme rabbit problems. Professional landscapers and commercial growers have already discovered Liquid Fence® Dual Action Rabbit Repellent Ready-To-Use₂ stops rabbit damage.

*GUARANTEE

If you are not satisfied with this product for any reason, send your written request for a refund to the address at right, together with the original dated store receipt showing the price you paid. Please allow 6-8 weeks for processing.

BRAND

STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

SHAKE WELL before each use. Adjust nozzle for desired spray pattern. Apply liberally to plants and their perimeter during a dry period. Repeat process one week later and then approximately once per month thereafter. In areas where feeding pressure from rabbits is intense, spray Liquid Fence® Dual Action Rabbit Repellent Ready-To-Use₂ once a week for three weeks and then approximately once per month thereafter.

Note: When using this product, you may notice an odor. However, once it dries, the odor will not be noticeable to humans, but still very noticeable to animals.

PRECAUTIONARY STATEMENTS

KEEP OUT OF REACH OF CHILDREN

CAUTION. This product may be harmful if swallowed. Avoid contact with eyes. If contact with eyes occurs, immediately flush with plenty of water. Seek medical attention if either occurs.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

CÓMO FUNCIONA

La mayoría de los conejos se ahuyentan solo con el olor. Por la gran cantidad de conejos jóvenes y su voraz apetito, las poblaciones de alta densidad de conejos pueden ser un problema extremadamente persistente. Por eso hemos desarrollado una fórmula de doble acción que repele tanto por el olor como por el sabor – dos golpes de efectividad garantizada para combatir los problemas extremos de conejos. Los paisajistas profesionales y agricultores comerciales han descubierto que el Repelente de conejos de doble acción listo para usar₂ Liquid Fence® detiene el daño causado por los conejos.

ALTO. LEA TODA LA ETIQUETA ANTES DE USAR.

MODO DE EMPLEO

AGITE BIEN antes de cada uso. Ajuste la boquilla al tipo de rocío deseado. Aplique abundantemente a las plantas y su perímetro durante un período seco. Repita el proceso una semana después y luego aproximadamente una vez al mes de ahí en adelante. En las áreas donde la presión de los conejos por alimentarse es intensa, rocíe el Repelente de conejos de doble acción listo para usar₂ Liquid Fence® una vez por semana durante tres semanas y luego aproximadamente una vez al mes de ahí en adelante.

Nota: Al usar este producto, puede notar algún olor. Sin embargo, cuando haya secado, el olor no será perceptible para las personas, pero será fuerte para los animales.

ALMACENAMIENTO Y ELIMINACIÓN

No contamine el agua ni los alimentos para personas o animales por medio del almacenamiento o la eliminación.

ALMACENAMIENTO: Guarde en su envase original, en un lugar fresco y seco que no sea accesible a los niños y a las mascotas. Proteja del calor y evite que se congele. Guarde a una temperatura entre 40°F y 90°F. Mantenga los envases bien cerrados para evitar que se evapore. Si se produce un derrame, diluya con agua y enjuague.

ELIMINACIÓN DEL ENVASE: No vuelva a usar el envase vacío. Elimine el envase vacío de acuerdo con las leyes municipales o locales.

DECLARACIONES PREVENTIVAS

MANTÉNGASE FUERA DEL ALCANCE DE LOS NIÑOS

PRECAUCIÓN. Este producto puede ser nocivo si se ingiere. Evite el contacto con los ojos. En caso de contacto con los ojos, lave inmediatamente con abundante agua. Busque atención médica si ocurre alguna de las dos cosas.

NOTA: Hasta el grado que sea compatible con la legislación pertinente, el comprador asume toda la responsabilidad para seguridad y uso que no estén de acuerdo con las instrucciones.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40°F and 90°F. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

CONTAINER DISPOSAL: Do not reuse empty container. Dispose of empty container as required by municipal or local laws.
