### UltraCare™ Flea & Tick Spray For Small Animals

#### FIRST AID

##### If swallowed:

- Call Poison Control Center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the Poison Control Center or doctor.
- Do not give anything by mouth to an unconscious person.

##### If on skin or clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a Poison Control Center or doctor for further treatment advice.

##### If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contacts lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a Poison Control Center or doctor for further treatment advice.

##### If inhaled:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.
- Call a Poison Control Center or doctor for further treatment advice.

**HOTLINE INFORMATION:** Have the product container or box with you when calling a Poison Control Center or doctor, or going for treatment. For emergency information concerning this product, call 1-866-823-2749.

#### PRECAUTIONARY STATEMENTS

##### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**CAUTION:** Remove birds and cover fish aquariums before spraying.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

##### SHAKE WELL BEFORE USE.

Remove animal from its cage. Hold bottle upright and point nozzle opening in the desired direction of spray. Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and underbody. While spraying, fluff the hair so that spray will penetrate to the skin. Make sure spray wets thoroughly. Do not spray into eyes or face. Allow pet to dry before returning to cage. As pet dries, keep it in a warm area to prevent it from getting chills. Repeat if necessary.

#### STORAGE AND DISPOSAL

**Pesticide Storage:** Store in a cool, dry place away from heat, open flame, food and water supplies that is inaccessible to children and pets. **Pesticide Disposal and Container Handling:** Nonrefillable container. Do not reuse or refill container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

To the extent consistent with applicable law, buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith.
