DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read the entire label before using this product. Use strictly in accordance with label precautionary statements and directions.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

Do not enter or allow others to enter treated areas until sprays have dried.

Keep people and pets out of the area during application.

For Outdoor Residential Use Only.

WHERE TO USE

Use on driveways, gravel areas, patios, parking areas, sidewalks, brick walks, brick walkways, brick pathways, gravel walks, gravel walkways, gravel paths, gravel pathways, along fences, curbs and cracks in sidewalks.

Apply to locations only where no vegetation growth is desired for up to one year.

WHEN TO USE

Apply to bare ground or when weed growth is small. If weeds are taller than six inches, mow or cut down weeds and remove debris before treatment.

To prevent growth of weeds under asphalt driveways, play areas, tennis courts and parking areas, apply this product before laying surfacing materials.

Re-treatment every 6 to 8 months may be necessary in areas of heavy rainfall.

Water the day before application if the soil is dry.

Visible results will occur in 10 hours.

Rain or Watering one hour after application will not reduce effectiveness.

RESTRICTIONS

- Apply on a sunny day with temperatures above 60°F.
- Do not apply to or allow product to drift onto desirable plants.
- Only apply to areas where no vegetation is desired for one year.
- Avoiding product runoff to nearby desirable plants.
- Do not apply near bodies of water including, fish pools, ponds, lakes or streams.
- Do not apply over the roots systems of desirable plants. For trees and shrubs do not apply closer than twice the distance from the trunk to the drip line as roots may be within this area.

RESTRICTIONS Cont.

- Do not apply to slopes in landscape as movement on soil surfaces may damage desirable plants down slope.
- Do not apply next to a fence if desirable vegetation is growing on the other side, or if future planting is intended.
- Do not use before planting lawns, fruits, vegetables, flowers, or other plants because this product remains active in soil for up to one year.
- In soils with heavy clay, weed control may exceed one year.

HOW TO APPLY

Measure area to be treated.

Calculating Total Area: $\text{LENGTH} \times \text{WIDTH} = \text{TOTAL SQ. FT.}$

Amount to Use – Spray weeds until wet, for surrounding areas spray thoroughly

32 fl. oz. treats up to 15 sq. ft.

HOW TO USE

Turn sprayer nozzle to open. Adjust spray nozzle to give a coarse spray. Hold spray nozzle 12 or more inches from vegetation to be treated. Allow spray to soak into ground, avoiding runoff to near by desirable vegetation.

For cracks in driveways, sidewalks, patios and between bricks and paving stones:

Spray vegetation in the crack until completely wet.

HOW TO USE Cont.

To cover a whole area:

Measure area to be treated.

Calculating Total Area: $\text{LENGTH} \times \text{WIDTH} = \text{TOTAL SQ. FT.}$

Spray evenly over 15 sq. ft. If area is not evenly covered, there may be some re-growth of weeds. Re-treatment may be required for control.

IMPORTANT

Use only where no vegetation growth is desired for at least one year. Apply to the following areas: driveways, gravel areas, patios, parking areas, sidewalks, brick walkways, gravel walkways, gravel pathways, along fences, curbs and cracks in sidewalks. In soils with heavy clay, weed control may exceed one year. Re-treatment every six to eight months may be necessary in areas of heavy rainfall.

STORAGE AND DISPOSAL

Do not contaminate water, foodstuffs, feed or seed by storage or disposal.

PESTICIDE STORAGE: Store product in original container in a safe place and protect from freezing. Store in a cool, dry place, preferably in a locked storage area. Rotate nozzle to closed position.

PESTICIDE DISPOSAL AND CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor (including toilet) or outdoor (including sewer) drain.

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

No human or domestic animal hazard statements are required. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-325-1840 for emergency medical treatment information.

ENVIRONMENTAL HAZARDS

This product is toxic to plants. Drift and run-off may be hazardous to plants in water adjacent to treated areas. Do not apply to water. Do not contaminate water when disposing of equipment, washwater, or rinsate. See Directions for Use for additional precautions and requirements.

WARRANTY DISCLAIMER

The directions for use of this product must be followed carefully.

To the extent consistent with applicable law, (1) The goods delivered to you are furnished "as is" by manufacturer or seller and (2) Manufacturer and seller make no warranties, guarantees, or representations of any kind to buyer or user, either express or implied, or by usage of trade, statutory or otherwise, with regard to the product sold, including, but not limited to merchantability, fitness for a particular purpose, use, or eligibility of the product for any particular trade usage. Unintended consequences, including but not limited to ineffectiveness, may result because of such factors as the presence or absence of other materials used in combination with the goods, or the manner of use or application, including weather, all of which are beyond the control of manufacturer or seller and assumed by buyer or user. This writing contains all of the representations and agreements between buyer, manufacturer and seller, and no person or agent of manufacturer or seller has any authority to make any representation or warranty or agreement relating in any way to these goods.

LIMITATION OF LIABILITY

To the extent consistent with applicable law, in no event shall manufacturer or seller be liable for special, incidental, or consequential damages, or for damages in their nature of penalties relating to the goods sold, including use, application, handling, and disposal. To the extent consistent with applicable law, manufacturer, or seller shall not be liable to buyer or user by way of indemnification to buyer or to customers of buyer, if any, or for any damages or sums of money, claims or demands whatsoever, resulting from or by reason of, or rising out of the misuse, or failure to follow label warnings or instructions for use, of the goods sold by manufacturer or seller to buyer. All such risks shall be assumed by the buyer, user, or its customers. To the extent consistent with applicable law, buyer's or user's exclusive remedy, and manufacturer's or seller's total liability shall be for damages not exceeding the cost of the product.

If you do not agree with or do not accept any of directions for use, the warranty disclaimers, or limitations on liability, do not use the product, and return it unopened to the Seller, and the purchase price will be refunded.
