

PRECAUTIONARY STATEMENTS

CAUTION: May cause eye and skin irritation. Avoid contact with eyes and skin.

FIRST AID

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a physician if irritation persists.

If on Skin: Wash exposed area thoroughly with soap and water. If irritation persists, call a physician or 1-800-222-1222 for emergency medical treatment information.

DIRECTIONS FOR USE

Read Entire Label Prior to Use. Use as Directed. Apply Eliminator by various application methods to ornamentals, food and feed crops, turfgrass, shrubs and vegetation by foliar spray, soil drench and soil incorporation.

For foliar sprays (from a distance of 8-12 inches), apply Eliminator to all surfaces of vegetation taking care to make complete coverage of foliage (in-between stems, top and bottom of leaves). Directly spray listed pests whenever possible. To ensure good coverage, spray until the area is wet, but not to the point of runoff. Prior to any large scale application, test product in an inconspicuous area. Do not spray when temperatures exceed 90°F. Spray in the evening to avoid phytotoxicity. Take care to avoid spraying beneficial insects. Do not spray directly on bees or at times when bees are active.

KILLS: (including their larvae and eggs) aphids, fungus gnats, mites, root aphids, thrips and whiteflies and fungus, molds and mildew.

RECOMMENDED USES: Indoor and Outdoor Pests, Outdoor Spot Treatments

APPLICATION RATES: For best results, use warm (between 70-98°F) distilled or reverse osmosis water with a pH of 6.0 to 7.0. Do not readjust pH after dilution is made.

- **Weak Solution:** Add 1/2 oz of Eliminator to 31 1/2 oz of water (recommended for powdery mildew).
- **Medium Solution:** Add 1 oz to 1 1/2 oz of Eliminator to 31 oz of water (recommended dose for soft bodies insects).
- **Strong Solution:** Add 2 oz to 2 1/2 oz of Eliminator to 30 oz of water (recommended dose for infestations). May rinse after 1 hour to decrease chances of phytotoxicity at this dilution rate. When diluting with water, prepare only the amount needed for immediate use. **THIS PRODUCT SHOULD NOT BE MIXED WITH ANY OTHER PRODUCT INCLUDING OTHER PESTICIDES, FUNGICIDES OR WETTING AGENTS.**

Application Devices: Product can be applied with equipment such as: trigger sprayers, gallon pump-up sprayers, fogging equipment, fixed-head sprayers (time or manual release), motion sensor sprayers and sponge application systems.

Unleashing the Power!

The Amazing Doctor Zymes

Unleashing the Power!

Eliminator

Insecticide and Fungicide

- Kills and eliminates mites, thrips, aphids, whiteflies.
- Kills and eliminates larvae and eggs.
- As a soil drench, kills and eliminates fungus gnats, root aphids. Eliminates fungus, molds and mildews.

CONCENTRATE

KEEP OUT OF REACH OF CHILDREN.

CAUTION
