Precautionary Statements)
Net Contents 5 LBS. (2.27 kg)

GOPHER MAX®

Effectively rids lawn, gardens and plantings of Moles, Gophers, Voles, Armadillos, Skunks, Rabbits, Ground Squirrels and other burrowing animals.

Gopher Max® is an effective means of repelling burrowing animals from desirable turf and ornamental planting areas. This product can be safely used around children and pets, when used as directed. **Gopher Max®** is biodegradable and will not harm lawns, gardens, flowerbeds or other desirable plants.

DIRECTIONS FOR USE

How to Use: Apply 1 pound per 500 sq. ft. Lightly watering in the granules after application speeds up the release of material and its penetration into the soil, or you can choose to simply wait for the next rainfall. After application, mole, vole & gopher activity may increase, as they leave the treated area. Reapply if you see new activity in mounds and tunnels.

USE WHEN PLANTING

For Bulbs: After placing bulb in hole, apply one (1) tablespoon of product into the hole, making sure granules surround the bulb, then backfill with soil. When planting **ornamental flowers** and **shrubs** such as; Roses, Azaleas, Rhododendrons, Mums, etc., apply two (2) tablespoons to the bottom of the planting hole and three (3) to four (4) tablespoons to the soil mix before back filling.

OTHER INFORMATION

Gopher Max® is exempt from registration with the Federal EPA under section 25(b) of FIFRA, and as such, is not registered with the Environmental Protection Agency. Bonide represents that the ingredients qualify for exemption from registration under FIFRA.

First Aid and User Precautions: CAUTION:

Product can cause moderate eye irritation. For certain individuals, skin irritation may occur. In case of eye contact, flush with plenty of water, seek medical attention if irritation persists. In case of skin irritation, wash area thoroughly with soap and water, seek medical attention if irritation persists.

STORAGE AND DISPOSAL

Store and transport in an upright position. Store only in original container, in a dry place inaccessible to children and pets. Do not reuse empty container. Discard empty container in trash.

Do not apply directly to water.
