

Rodent Sheriff is a powerful, ready-to-use, ultra-pure mint formula that repels mice, raccoons, roaches and ants from flower beds and gardens, around trash cans, houses and garages. Also use to repel mice, raccoons, roaches and ants from interior areas (kitchens, garages, attics, entry ways).

Directions for Use: Read entire label prior to use; using as directed. Shake well before each use and occasionally while spraying. Prior to large scale use, test product on an inconspicuous area. Spray surfaces until wet, but not to the point of runoff. Repeat as often as needed, depending on pest pressure, and after rain. Do not apply this product if bees or other pollinators are foraging in the treatment area.

Storage and Disposal: Keep away from children. Store in original, closed container. Do not reuse or refill empty container. Offer container for recycling, if available, otherwise dispose in trash.

PRECAUTIONARY STATEMENTS

First Aid: Direct eye contact may cause irritation. May cause skin irritation.

Response: If in Eyes: Immediately rinse with water for 10-15 minutes. **If on Skin:** Wash with soap and water. In both cases, if irritation persists, get medical attention or call 1-800-222-1222 for emergency medical treatment information.
